

BONUS LESSON

FOR THE
CLASSROOM
TEACHER

OBJECTIVES

In this lesson, we will...

- * Take a look at some considerations to bear in mind when integrating the arts and PBL in your classroom.

FIRST OF ALL...

BRAVO!

SO WHAT WILL THIS REALLY LOOK LIKE?

WHERE DO I START?

- * Find projects in local problems or issues, news stories, or challenges you see.
- * Start with your arts access point.
- * Decide on your level of arts integration (arts as an entry point, in process, as an instructional activity, or as a product).

ADVICE TO THE CLASSROOM TEACHER

- * Have a working knowledge of Core Arts Standards.
- * Ask your arts teachers to share their ideas and expertise, but don't expect them to teach the arts component.
- * Include arts teachers in your PLCs.
- * Know your access point.

GOOD LUCK!
