

DOWNLOAD YOUR MUSIC CERTIFICATE

We know you're busy so we've made your ARVC benefits easier to access. If you purchased a music license through ARVC, you'll be able to access your certificate for the licensed year, beginning January 1. We recommend all license holders keep their certificate and receipt for their records. All your ARVC benefits can be accessed with ONE login by visiting arvc.org.

1. Visit arvc.org and click 'Sign In' in the top right corner.
2. Log into the administration side of your profile using your email address as your username. If you do not remember your password, submit a password reset request by clicking 'Forgot your password?' below the login button.
3. You'll be redirected back to the arvc.org homepage. Click 'Welcome [YOUR NAME]' at the top right of your screen.
4. In the left side navigation click 'Music Licenses'
5. You can see which licenses you have and click 'Download' to save and print.

*If you have trouble accessing anything, please contact us at membership@arvc.org
Music licenses can not be refunded after purchase*
