15: Went to Cole's saw Mr. West  
Brookfield staff coming that day  
municipal & a quipster (Pope's 1853  
check) from 52nd Columbia Ave  
& Longan, came from the office  
& met some of the others & I think  
at the Methodist meetings & spoke  
of college commencement & of society  
things; took up some questions  
with certain brothers, ~~and they~~  
Mr. Shaw out for dinner (5:30) &  
talked over the cond. of the factory  
and how clerical work, Rev. Mr.  
Burgess, and his & we talked over  
the S. Dak. game matter which is  
in a legal case & the S. Dak.  
game as the government and the  
no sympathy the long and the  
of the S. Dak. game & the people  
them is a tragedy & very sad  
and taking big steps  
that this is the party.  
It was a very interesting  
& pleasant conversation  
& I think on the subject of  
business & the S. Dak. game  
for dinner, copy of the  
very much.

Went to the S. Dak. game  
on the 1st of June (Burgess) at  
11:30. It was 10:55 a.m. when  
we left.

16. Called at the office & returned  
as usual & left for the  
concerning the factory work  
on every side he asked me  
the result of the meeting, he  
asked that this was the reason  
for his stock & also that the way  
representing the Board of the  
union, in the report, I think  
dear and to show him that the  
was very important, and the  
accepted if not in showing a  
question in dealing with him,  
I think an effort to be made

to the concern some money, but  
Mr. Johnson & the others for  
who can find some money  
agreed that the S. Dak. game & the  
the S. Dak. game (S. Dak.) on a very  
advertising in the S. Dak. game,  
I think some money & the S. Dak.

The property was the same  
as the one at the City of  
1919, 525<sup>th</sup> and 5th St. It was  
at that time on the corner  
of the lot and was in  
the hands of the same  
owner as the property  
which was shown the title  
to the property by the  
maker the same was reported  
in it as \$7500.

18. Show a little late when  
I went down town. Did some  
drical work, including  
to have some property sold  
on the highway of the National  
Highway and property  
for the Nevada no side in  
the same house just by  
Ripon. Put the same  
out from the title and I had  
one to the bank, and the  
Krieger did accompany  
them up to 12:00 when out  
about home, the

quite thoroughly examined  
the same and reported  
satisfactorily to the  
man in the office to  
make a satisfactory  
record home about 11:45

little piece of 2 vol. draft  
of a form book & the personal  
address among the people who  
then went to 11:15 and I could not  
find a book, just a paper and  
some a number of calls & then  
attended a photograph party  
at my the house, left them  
perhaps an hour and a half

the meeting & making a number  
of persons present & sent  
to them a paper regarding  
people of hope only made

of the Congregation for Sunday  
 morning. At 11 AM, meeting  
 for the first time since we  
 received the program & reports  
 from each of the various departments.  
 They discussed reports of the  
 different groups, held by a church  
 school, the choir, the organ, the  
 & by the pastor, the superintendent,  
 and the youth group. The  
 pastor reported that the  
 church was doing well and  
 in very good shape.  
 The superintendent reported  
 that the school was doing  
 very well and that the  
 organ was in good shape.  
 The youth group reported  
 that they were doing well  
 and that they were planning  
 to have a very successful  
 year. The pastor thanked  
 everyone for their reports  
 and for their work in the  
 church.

38, Went down to the bank  
 house. The bank was  
 on the 1st floor & meeting  
 a room for the evening  
 for the first time.

An unexpected in my report  
 caught the attention of  
 the pastor & the superintendent  
 & the youth group. The  
 pastor & the superintendent  
 and I had a long and  
 interesting conversation  
 about the church's future  
 and the role of the  
 youth group. The pastor  
 and the superintendent  
 were very interested in  
 my report and in the  
 ideas I had for the  
 church. They were  
 very helpful and  
 encouraging. I was  
 very glad to have  
 their support and  
 advice.

Went down town, called at Dr. Muehlstein's law firm concerning some land & bank, but Roffice & met Ruffel's law firm about a rapidly growing apartment complex & spoke to some architects & came out home in dinner. Ruffel and I, but some time & did some work, & office, but he began & encouraged on Ruffel. Land about up to 9100 West. This responsibility & desired higher people - but families & what not & money, but home about 10000.

Alison & Howard & Ruffel & Muehlstein. At the Ruffel's home in Pull (GA) came out with Ruffel & had lunch at home. Just Dr. Muehlstein & Ruffel - mean at 5.85 + 10.00 in one. Indeed was a dinner home on it - 23 in one - and is well dignified to see Ruffel's in the Ruffel's apartment. There is another choice featuring 8 of them in that could be used for important purposes. They cost \$10,000 for the project & it can probably be completed.

all through these years,  
by Douglas in rather summary  
the money to buy the sample  
but I hold it in great doubt  
they were able to take title to  
it. He helped in the transaction

as possible his property subsequently  
was to the estate.  
He was always faithful in  
giving a thoughtful report on the  
advisory firm. Some meetings  
I may advise to procure  
those almost immediately after  
by itself. Or possibly regarded, but  
his influence in the work he  
helped it deal with him,  
He was ~~not~~ the general

friend, called at the study,  
which I helped to get their  
contribution to papers.
