became Christians. 10  
Lawyer, 10 teachers etc.

Altogether all the Pres. members of  
the Pres. Ch. in Brazil came  
from the poorer class.  
In 19 yrs the members  
of my church in B. de J.  
were never less than

to position in government, Army  
Navy, educational positions  
and etc.

It is not long since in  
America & the great  
lands on the continent?  
"They are the poor & uneducated  
people."

The Cath. Ch. does idols, pray-  
ers to saints & the Virgin Mary, etc.  
& keeps the laws of supersti-  
tion & ignorance.

- The power that makes men  
and the hearts of men is  
not found in science, nor  
physically etc. but in the  
Soul. "God forbid that  
I should glory, save in the  
cross of our Lord Jesus Christ."  
He preached 29 yrs & I know  
that the Gospel of the cross will  
will conquer in Brazil & in  
in all the world.

Concluding Service  
Dr. M. M. ...  
Text Jesus Christ the same  
yesterday, today etc.

Trinity was the next generation - the generation of the time of N. Cross a member.  
- Things seemed to be shaken.  
Effect & anchor then, amidst all these changes to the Church, the <sup>most</sup> Incomprehensible Christ, in what sense - Rise became from, He rose in Peter & because a man, the cross of our iniquity was laid upon him.

He was charged in giving the message to man as they were able to receive it yet He is the same etc.

The same as the revealing His Father. The Father spoke of this. How? He revealed His Father by what He was as well as by His words.

Jesus is the Prophet & all the generations

He & His Father are working while in charge. I want to say & leading charge; but He & His Father were: Man & all my Jesus says etc.

What are I? Where am I? Whether do I go? on such questions; but He speaks to me now as then, but may have other words for other worlds; but His word to this world is Jesus Christ. He is the last one for son in world & was offered up as a sacrifice for sin.

The world knows no other salvation - culture, ethics, social sciences, government, money & things can emancipate the stagnant sinful man.

He is the divine & only divine He has power & glory as the power of His glory is the answer of how He forgives sin. He lived as & gave Himself for us.

His birth: "I call  
in master & hold it"

He is King, Our Sovereign  
Lord & King,  
I will pray that every  
thing might be brought in  
to Explanatory. That every  
Kings should know it.  
Whosoever He is then is  
strongly found  
"Born of the Holy Spirit  
and of the Virgin Mary, He is the  
Savior of the World"

Carry this with you as you  
go forth as a strength  
comfort, the part of you,  
He on going forth in a new  
age, to new areas, experiences,  
new borders etc. as I am  
with you always.  
He may called upon to be  
to have babies, to suffer  
many things, He will  
be afraid, speak & hold out  
by peace.

A record of Christ's life  
of His birth - to go on  
with you always.  
He emphasized the fact of  
His motherhood as he does  
about 60. You shall not  
see me I go to the Father  
He one of the world I was  
His child of His movement  
is, only His own Jesus  
Christ.

What a people of new death &  
world history  
These His disciples were &  
take His place. I will keep  
them from the rest etc. These  
that show your me I am  
the & then in me.

While I am in the world I  
am the light of the world, you  
in the light of the world.  
Paul, Mark, John, & Luke  
in me etc.  
John was X in Britain, X in
