

Frequently Asked Questions (FAQ)

- 1. Q: After the May 5th submission, is there room for improvements to the submitted presentation and visualization?**

A: The May 5th submission is to determine whether your team qualifies for the final round. If you qualify for the final round, you will have the opportunity to expand on your presentation.

- 2. Q: Can we submit our information as a team and proceed with the hackthon as non-members?**

A: Yes you can currently proceed with the challenge as non-members in Phase 1. You only need to become an Ascend member if you are selected to be a finalist in Phase 3.
