

Important information for California/New York NAACLS Accredited Students

California ASCP Certification AND Licensure

The ASCP Board of Certification examinations have been approved for licensure purposes by the state of California. It is important students complete the Online Application for ASCP certification AND licensure.

Students must meet the eligibility requirements established by the ASCP Board of Certification (BOC) **and** the licensure requirements established by the state of California. The student must also successfully complete the appropriate ASCP BOC certification examination.

STEP 1: The student must contact the **CDPH Laboratory Field Service web site** for information on completing the licensure process and submit an application to California.

STEP 2: The student should review the **eligibility requirements** for the appropriate examination category (MLS, MLT, PBT, MB, CG) to be sure the student has met these requirements.

STEP 3: The student must complete the Online Application for ASCP certification AND licensure. **The student must enter the CA ID number on their online application.** An official transcript verifying the degree must be submitted to the ASCP Board of Certification. Detailed eligibility requirements are located at: www.ascp.org
