

Arlington Science Focus School

ASFS Parent Teacher Code of Conduct

ASFS strives to create a safe learning and teaching environment, which is essential for its students to succeed. All students, parents, and teachers have the right to feel safe in their school community. Therefore, it is everyone's responsibility to be accountable for their own actions.

RESPECT, CIVILITY, and RESPONSIBILITY

PARENTS play an important role in the education of their child(ren).

- Follow all school rules when on school property and attending school functions (refer to ASFS Parent Handbook)
- Treat one another with respect and dignity at all times, especially when there is disagreement
- Respect each other's differences as well as different perspectives and opinions
- Respect the rights of others and all members of the ASFS school community
- Show care and respect for school property
- Seek help from school staff to resolve conflict peacefully
- Do not threaten or show disrespect to administrators, teachers and staff
- Encourage your child(ren) to follow classroom rules as set by their teacher(s) and school administrators

Follow the GOLDEN RULE to "treat others the way you would like to be treated."

TEACHERS are role models, and they will uphold certain standards.

- Help students reach their potential and develop self-worth
- Communicate with parents regarding important issues
- Respond to email communications within 48 hours
- Maintain consistent standards of behavior for all students
- Respect all students and parents
