Ethical Issues and End-of-Life Considerations in Dementia Management

FACULTY

Lynne Brady Wagner, MA, CCC-SLP, is the program director of stroke rehabilitation and the chair of the Ethics Advisory Committee at Spaulding Rehabilitation Hospital in Boston. After earning a master's degree in speech-language pathology from Saint Louis University, Wagner began her career in Chicago and worked at the Rehabilitation Institute of Chicago (RIC), where she became the resource clinician for adult dysphagia. She has a graduate certificate in Health Care Ethics from Rush University Medical School and was the first Disability Ethics Fellow at RIC and the MacLean Center for Clinical Medical Ethics at the University of Chicago. She is a former member of ASHA’s Board of Ethics and in the past has been the ethics column editor for the Special Interest Group 13 (Swallowing and Swallowing Disorders) Perspectives. She currently serves as the coordinator of the Coordinating Committee for SIG 13 and is an instructor at the MGH Institute for Health Professions, where she teaches health care ethics.
