PROGRAMME

25|26 JANUARY

10AM-10PM

SUSTAINABILITY+

ART+

COMMUNITY

Quoz Arts Fest is an annual celebration of arts and culture in the Al Quoz neighbourhood. This seventh edition, under the theme 'CTRL+ALT+ACTION', is our most diverse yet.

How will we embrace the small changes that contribute to a larger impact on economic, environmental, and social sustainability? 'CTRL+ALT+ACTION' explores the various facets of sustainability, how they affect our lives, and how we can take action to make a change through a range of workshops, talks, performances, films, tours, and much more.

The two-day event is free and open to the whole family, including children, and furry friends. There were activities for everyone - art collectors, music lovers, film buffs, and foodies. Check out the schedule for timings.

Quoz Arts Fest 2019 is supported by **swyp**.

Quoz Arts Fest Media Partners: **Khaleej Times; Young Times; ArtKentro; Selections; Harper's Bazaar Art Arabia.**
