CEPH’s Update for Round 3

Ms. Mollie Mulvanity
Deputy Director
Council on Education for Public Health
Major Goals/Priorities

• Ensure quality of education in public health
  • Our mission
  • Our charge from USDE

• Increase flexibility and opportunities for innovation

• Simplify and reduce the reporting burden

• Preserve the school distinction/designation
  • ASPPH’s request
2014
- Discussions begin in Council
- Web survey to stakeholders
- Technical Assistance Session with Q & A

2015
- Released curricular criteria for comment (Feb)
- Web-based & in-person presentations to groups, listening sessions, Q & A
- Considered Round 1 comments on curriculum
- Released full draft for comment (Nov)
- Employer Panel at APHA (Nov)

2016
- Considered Round 2 comments (Jan)
- Released revised full draft for comment (Feb)
- Consider Round 3 comments (June)
- Release updated draft for comment (July)
- Consider Round 4 comments (October)
- Adopt final criteria & implementation plan (release in November)
Major proposed changes: review & overview

- “5 core areas” replaced with specific competencies defined for all MPH students
- Redefinition of SPH requirements
  - 3 MPH
  - 2 doctoral
- SBP curricular criteria integrated in SPH & PHP criteria
- Changes in methods of “counting” faculty resources
- Flexibility in practice experience requirements for MPH
- Greater definition for DrPH
- Vastly reduced reporting burden in research, service, etc.
Major changes between rounds 2 & 3 of comment

- Reduced # of required MPH & DrPH foundational competencies & updated content
- Clarified criteria that elicited comments/questions
  - MPH practice experience
  - Tracking post-graduation outcomes
- Adjusted faculty resource requirements
  - Fewer restrictions on double-counting
- Added “Foundational PH Knowledge” for MPH & DrPH, separate from competencies for each
Some emerging consensus during round 2...

- Consensus on many areas
- Identified priority areas for continuing discussion
  - # of required SPH degree offerings
  - Evaluation & outcomes
  - Faculty resources
  - MPH, DrPH, MS, PhD & other grad curricula
- All criteria open for comment in round 3, though priority areas are intended focus
Next steps

• Comments due to CEPH by COB on May 16

• Stay tuned in early July for next draft!

• Next comment period in summer to early fall—likely due date in mid- to late September

• Anticipated release of criteria & implementation plan in late Oct – early Nov
  • Implementation plan will explain what you need to do & by when
  • Past experience suggests 1st SVs with new criteria will be in 2018, but nothing decided yet!
Keep the excellent comments coming!

Onto *Your* Questions and Comments

Is MPH generalist still an option under the current CEPH criteria?
Why must there be a certain number of faculty members to be a school? Some programs have creative ways to share faculty.
