Onyx®

ONYX CAR COVERS 3 YEAR WARRANTY

INDOOR COVER — The Onyx Indoor Car Cover is the Premium cover for the Premium Sports Car. Made of a Polyester blend that includes Lycra/Spandex, it creates the perfect combination of a Satin-like exterior feel with a luxuriously soft underside to pamper your Mustang's finish. The front and rear hems, mirror pockets and generation-specific patterns are tailored to your Mustang. Its stretchability results in a sleek, form-fitting look that is easy to slip on. **FREE storage bag & 3 Year Warranty Included!**

#MA8132 1964-66 Front Drum-to-Disc Kit with Power Upgrade V8 - Automatic 5 Lug

#MA8100 1964-73 Rear Drum-to-Disc Kit with 9" Small Bearing Flange

FRONT DRUM-TO-DISC KITS

This front disc brake conversion kit by SSBC-USA includes everything you need to upgrade your drum brakes to the reliability and performance of a modern disc brake system.

MA8131	64-66	Manual Brakes V8 5-Lug	\$1167⁹⁹
MA8132	64-66	w/Power Upgrade V8 Automatic 5-Lug	\$1233⁹⁹
MA8133	64-66	w/Power Upgrade Auto V8 - 5-Lug Sport-Rotors	\$1328⁹⁹
MA8134	64-66	w/Dual-Circuit MC - V6 4-Lug	\$891⁹⁹
MA8135	64-66	w/Dual Circuit MC - V6 4-Lug Sport-Rotors	\$986⁹⁹
MA8136	64-66	w/Dual-Circuit MC & Power Upgrade - V6 4-Lug	\$1024⁹⁹
MA8137	64-66	w/Dual-Circuit MC & Power Upgrade - V6 4-Lug - SP RTR	\$1119⁹⁹
MA8138	64-66	w/Dual Circuit MC Upgrade V8 5-Lug	\$1157⁹⁹
MA8139	64-66	w/Dual Circuit MC Upgrade V8 5-Lug Sport-Rotors	\$1252⁹⁹
MA8140	64-66	Manual Brakes V8 5-Lug Sport-Rotors	\$1262⁹⁹
MA8141	67-69	Manual Brakes Dual-Circuit MC 5-Lug Fixed Calipers	\$1138⁹⁹
MA8142	67-69	w/Power Upgrade w/Auto 5-Lug Fixed Calipers	\$1613⁹⁹
MA8143	67-69	w/Power Upgrade w/Auto 5-Lug Sport-Rotors & Fixed Calipers	\$1708⁹⁹
MA8144	67-69	w/Power Upgrade w/Man 5-Lug & Fixed Calipers	\$1590⁹⁹
MA8145	67-69	w/Power Upgrade w/Man 5-Lug Sport-Rotors & Fixed Calipers	\$1685⁹⁹
MA8146	67-69	Manual Brakes DC MC 5-Lug w/ Sport-Rotor & Fixed Calipers	\$1233⁹⁹
MA8147	68-69	Manual Brakes Dual-Circuit MC w/Spindle 5-Lug	\$1300⁹⁹
MA8148	68-69	Manual Brakes DC MC w/Spindles - 5-Lug - Sport-Rotors	\$1395⁹⁹
MA8149	68-69	Power Dual-Circuit MC Auto w/Spindle 5-Lug	\$1547⁹⁹
MA8150	68-69	Power Dual-Circuit MC Auto Spindle 5-Lug Sport-Rotors	\$1642⁹⁹
MA8151	68-69	Power Dual-Circuit MC Man w/Spindle 5-Lug	\$1652⁹⁹
MA8152	68-69	Power Dual-Circuit MC Man Spindle 5-Lug Sport-Rotors	\$1747⁹⁹
MA8153	70-73	Power Dual-Circuit MC 4P Calipers	\$1210⁹⁹
MA8154	70-73	Power Dual-Circuit MC 4P Calipers Sport-Rotors	\$1305⁹⁹
MA8155	70-73	Manual Brakes Dual-Circuit MC 4P Calipers	\$1089⁹⁹
MA8156	70-73	Manual Brakes Dual-Circuit MC 4P Calipers Sport-Rotors	\$1089⁹⁹

REAR DRUM-TO-DISC KITS

These rear conversion kits are designed to bolt directly onto your stock axle and provide you with the performance and durability you expect from a modern brake system.

MA8100	64-73	9" Small Bearing Flange	\$636⁹⁹
MA8099	69-73	9" Large Bearing Flange	\$636⁹⁹
MA8161	69-73	9" w/Large Flange - Plain Calipers w/ Sport Rotors	\$730⁹⁹
MA8162	69-73	9" w/Large Flange - Black Calipers	\$730⁹⁹
MA8163	69-73	9" w/Large Flange - Black Calipers w/Sport Rotors	\$825⁹⁹
MA8164	69-73	9" w/Large Flange - Red Calipers	\$730⁹⁹
MA8165	69-73	9" w/Large Flange - Red Calipers w/Sport Rotors	\$825⁹⁹
MA8166	64-73	9" w/Small Flange - Plain Calipers w/Sport Rotors	\$730⁹⁹
MA8167	64-73	9" w/Small Flange - Black Calipers	\$730⁹⁹
MA8168	64-73	9" w/Small Flange - Black Calipers w/Sport Rotors	\$825⁹⁹
MA8169	64-73	9" w/Small Flange - Red Calipers	\$730⁹⁹
MA8170	64-73	9" w/Small Flange - Red Calipers w/Sport Rotors	\$825⁹⁹

DISC BRAKE MASTER CYLINDER & BRAKE BOOSTER HYDRAULIC CONVERSION KITS

Disc Brake Master Cylinder & Brake Booster Hydraulic Conversion Kits for 1964-73 Mustangs convert your manual brakes to a more modern power brake system. These kits help improve reliability & control giving you increased stopping power. Kits include: Brake Booster (7", 8" or 9" depending on kit), Dual Bowl 1" bore Master Cylinder, Power Brake pedal where applicable (MA16692 & MA16693 only), Adjustable Proportioning Valve & Master Cylinder Lines. Kits are an all-inclusive conversion that allows you to switch from Manual to Power Brakes easily, creating an upgraded, more efficient braking system.

DUAL BOWL BRAKE MASTER CYLINDER HYDRAULIC CONVERSION KITS

Dual Bowl Brake Master Cylinder Hydraulic Conversion Kit for 1965-1969 Mustangs with non-power disc brakes. These conversion kits allow you to upgrade your single bowl brake master cylinder to a safer, more modern, dual bowl master cylinder without any extensive modifications. Kits include: Dual Bowl 1" Bore Master Cylinder, Adjustable Proportioning Valve & Master Cylinder Lines.

DISC BRAKE CONVERSION KITS

Add the safety, reliability and performance of disc brakes to your vehicle with our drum to disc brake conversion. In this kit you receive everything you need to mount factory style 4 piston disc brakes to the original drum brake spindles currently on your vehicle. These kits are a direct bolt on with NO cutting, drilling or welding required. All components used in these kits are new high quality, precision machined products. A great kit with a factory look and easy installation!

Front Kit Includes: 11" Rotors, 4 Piston Cast Iron Calipers w/ Stainless Pistons, Caliper Mounting Brackets, Brake Pads, Brake Hoses, Splash Shields, Wheel Bearings & Seals, Master Cylinder, Master Cylinder Brake Lines (where applicable), Power Booster (where applicable), USA Made Brake Pedal (where applicable), Adjustable Proportioning Valve, All Necessary Hardware & Installation Instructions.

Rear Kit Includes: 11.25" Vented Rotors, Precision Machined Caliper Mounting Brackets, Single Piston Calipers with Built-in Parking Brake, Zinc Plated Calipers & Brackets, Brake Hoses, Weld-on Brake Hose Tab & all necessary Hardware. Kit requires a minimum 15" wheel.

CLASSIC SERIES DYNALITE FRONT BRAKE KITS

Wilwood's Classic Series front disc brake kits for 1965 to 1969 Ford Mustangs offer disc brake upgrade solutions for OEM drum or disc spindles. These kits feature the FDL-M four piston forged aluminum caliper and 11.30" diameter x 0.94" thick one-piece rotors. The FDL-M caliper is a modified version of the time-tested Forged Dynalite caliper, and provides the greatest amount of wheel clearance of any four piston caliper in its size class. The OEM style one-piece cast iron rotors with integrated hubs simplify installation while providing superb dimensional stability and wear resistance. These versatile kits are easily optioned to suit the braking requirements and style preferences for a daily driver or the most discriminating show enthusiast. Intended vehicle applications require no modifications for installation, and clear most 14" OEM disc brake wheels. Kits will not fit OEM drum brake wheels. Classic Series FDL-M kits can be used with either manual or power boost master cylinders, and come complete with calipers, rotors, brackets, hardware, flex lines and detailed installation instructions.

DYNAPRO DUST-BOOT BIG BRAKE FRONT HUB KITS

Dynapro Dust-Boot Big Brake Front Hub Kits provide the added advantage of larger diameter brake rotors for traditional non-ABS spindles on American muscle cars and vintage rods. Forged billet Dynapro Dust-Boot calipers, 12.19" diameter rotors, and high performance Wilwood brake pads generate big brake stopping power. These kits were developed for applications or locations that require or prefer a dust-booted piston. Dust-booted aluminum pistons provide added protection against road or track born dirt and debris on low to intermediate temperature range applications that may also operate in harsh environments. A full range of options for caliper finish and rotor design provide custom builders with the ability to personalize the style and performance requirements of the mildest to the wildest machines.

FORGED DYALITE PRO SERIES FRONT BRAKE KITS

Forged Dyalite Pro-Series Front Hub Kits offer complete disc brake upgrade solutions for traditional non-ABS spindle applications on American muscle cars, vintage rods, and heavyweight drag cars. Based on the venerable forged billet Dyalite caliper, these versatile kits are easily optioned to suit the braking requirements and style preferences for a daily driver, serious competition, or the most discriminating show enthusiast. Most kits require no modifications for installation, and provide plenty of clearance inside popular 15" wheels. Forged Dyalite Pro-Series kits can be used with either manual or power boost master cylinders.

CONVERTIBLE TOP WINDOW PILLOW

Our soft, foam-filled Rear Window Pillow prevents damage to your convertible's rear window when it's stowed. When your top is folded away, the window wraps smoothly around the Rear Window Pillow to eliminate unsightly folds, creases and scratches.

DIRECT-FIT ALUMINUM RADIATORS - 1" TUBES

Our Direct Fit Aluminum Radiators fit up to the factory hoses and original supports with no modifications. No cutting. No bending. No installing different hoses. Each core features a double row of extra wide, high-quality tubes, louvered fins and press-formed end tanks. Cores are furnace brazed for the ultimate tube-to-header welds without epoxy. Best of all, they cost much less than other Aluminum Radiators and they're backed by a three-year Manufacturer's Warranty!

US RADIATORS

High Efficiency radiators by US Radiator feature OE Style tanks with a copper & brass 2, 3 or 4 row core. The cores utilize oversize tubes & high fin counts to provide a 20% increase in efficiency over the standard cores in a compact package with OEM styled tanks & top quality materials. Made in the USA!

DYE

INTERIOR DYES, ADHESIVES & RELATED

Interior Dye formulated & mixed by MM!

Interior Dyes Our Interior Dye produces accurate color and solid coverage on leather, vinyl, fiberglass, plastic and metal. Available in a 12-oz. Aerosol spray or Quart.

Dye Surface Prep removes dirt, oils and residue before priming. Fast drying and ready to paint in minutes.

Adhesion Promoter promotes strong, even adhesion of topcoat material when repairing or refinishing plastics. Also works on most flexible or rigid plastics on painted surfaces.

Primer For best results, finish off your prep work with our quality primer. Promotes even paint coverage and a better finish.

Spray Adhesive is high-tack to produce a strong bond between hard-parts and materials.

Interior Dye Clear Coat Protects your reconditioning work for years. Covers your interior components with a smooth, protective finish and preserves your interior's color.

HOLLEY DOUBLE PUMPER CARBURETORS

Double Pumper Carburetors are an American icon when it comes to performance carburetors. From their roots as the premier carburetor on many factory muscle cars to powering thousands of vehicles across the finish line, the double pumper is a great choice whether you are burning up the street or the quarter mile. The Double Pumper is designed for use on lightweight vehicles with a manual transmission or an automatic transmission with a high stall and low rear end gears. Mechanical secondaries for great performance.

UN0010	64-73	4150 650 CFM - Double Pumper - Chromate Electric Choke	\$584⁹⁹
UN0011	64-73	4150 650 CFM - Double Pumper - Aluminum Electric Choke	\$529⁹⁹

HOLLEY STREET AVENGER CARBURETOR

Street Avenger Carburetors are known to bolt on right out of the box and have great features such as a quick change vacuum secondary for easy fine tuning. Optimized street calibrations. Four vacuum ports for all necessary vacuum accessories. Factory preset electric choke for easy start ups. Built-in fuel filters. The avenger series are the first carburetors to have a limited lifetime warranty. With a great warranty like that and the included comprehensive instruction manual, you can count on years of worry free service.

HOLLEY INTAKE MANIFOLD KITS

UN0033 - The EFI Hi-Ram Manifold Line has a new addition for the 8.2" Sbf Ford application. This manifold comes with a 95mm 1986-95 Ford 5.0 Throttle Body Flange Side Mount Top. The runner length and tapered cross section design will perform well for a wide range of engine combinations. The engineering team also redesigned the water crossover passage to allow room for distributor phasing. This manifold is designed for a 8.2" deck height.

UN0033	64-73	302W Hi-Ram - 95mm Side - 8.2"	\$785⁹⁹
---------------	-------	--------------------------------------	---------------------------

UN0034 - This EFI 351W Hi-Ram Manifold comes with a 95mm 1986-95 Ford 5.0 Throttle Body Flange Side Mount Top. The runner length and tapered cross section design will perform well for a wide range of engine combinations. The engineering team also redesigned the water crossover passage to allow room for distributor phasing. This manifold is designed for a 9.5" deck height.

UN0034	64-73	351W Hi-Ram - 95mm Side - 9.5"	\$812⁹⁹
---------------	-------	--------------------------------------	---------------------------

HOLLEY INTAKE MANIFOLD LIDS

Hi-Ram cast aluminum side mount plenum top for EFI Hi-Ram manifolds. Holley now has cast aluminum plenum top options for those of us with limited room in the front of our engine bays. The cast aluminum side mount plenum tops resemble the older Ford EFI manifolds and will allow you to mount the throttle body on the side. This will allow for easier fabrication for boosted applications or for just a different look on your hi-ram manifold.

UN0021	64-73	Cast Hi-Ram Side Entry Lid - 105mm	\$265⁹⁹
UN0022	64-73	Cast Hi-Ram Side Entry Lid - 95mm	\$265⁹⁹

DIGITAL IGNITION CONTROL BOXES

Anyone looking for rev control, the 6AL unit is the option for you. The on-board soft touch rev control is one of the main differences between the 6A and 6AL. This means no external rpm modules to plug in anymore, simply adjust the rotary dials located on top and you are ready to go.

The basic 6A offers multiple spark up to 3000 RPM, capacitive discharge, and it's designed to be used with externally modulated timing controls. The 6A produces full power multiple sparks at each plug, but the number of multiple sparks that occur decreases as rpm increases, the spark will always last for 20 degrees of the crank rotation.

UN0508	64-73	Digital 6AL Ignition Control	\$290⁹⁹
UN0509	64-73	Digital 6A Ignition Control	\$250⁹⁹

1964-1973 HOOKER COMPETITION LONG TUBE HEADERS 1967-73 351W - 3" x 8" - 1 5/8"

Hooker Competition headers offer the best value in the high performance header market. Designed for the value-conscious buyer who is running either a "stock" or "mildly-modified" engine, Hooker Competition headers offer premium features at a very competitive price. Made of durable 16 gauge mild steel tubing, the Hooker Competition header design utilizes a long transition collector to reduce back pressure and increase exhaust flow. A perfect sealing surface is assured with the 5/16" machined flanges, with welded O-ring seals. Experience has proven that this flange size is ideal to maintain header integrity and be pliable enough to seal each exhaust port. Tubing is mandrel-bent to maintain metal strength and provide consistent tube diameter at radii to maximize performance. Hooker Competition headers have a standard finish that features a heat-cured, high-heat-resistant paint. For 1964-73 Mustang, 255-302W, 1967-73 Mustang 351W, Tube Size 1-5/8" O.D. x 28", Collector Size 3" O.D., Collector Length 8", Port Shape: Same As Port.

HOOKER HI-TEMP HEADER GASKETS

Hooker's precision-matched Super Competition header gaskets provide a sure fit and unmatched exhaust sealing. This OEM quality gasket is constructed of a thick (.060") high temperature, synthetic hi-temperature gasket material with a perforated steel core, which provides a superior grip and adhesion. This construction also contributes to exact fit compliance between the cylinder head and header flange, offering excellent sealing properties during extreme temperature and operating conditions.

1964-65 SHELBY STYLE SIDE EXHAUST SYSTEMS

You may not own an original Shelby Mustang but now you can make your stock 1964-1970 Mustang look and sound like one! Our Shelby style exhaust kits are patterned after the system that was used on the GT350's giving you increased performance and sound. Each kit includes two intermediate pipes, two 30 inch glass pack mufflers and two side pipes. Please note: Some exhaust fabrication and welding may be required.

CROSSMEMBER BACK X-PIPE EXHAUST SYSTEMS

Pypes Exhaust Systems are designed to deliver enhanced performance, provide extra punch in the passing lane and improve gas mileage. Fabricated using the highest quality materials, 16 gauge, mandrel-bent, stainless steel pipe ensures maximum exhaust gas flow, which can significantly boost horsepower. The stainless construction of our pipes and mufflers enables them to resist corrosion and extends the life of the system. NOTE: Does not fit Mustangs equipped with staggered shocks.

COUPE

Shelby GT-350, GT-350H, GT-500, GT-500KR, Boss 302, Boss 402

PYPES EXHAUST PIPE MANIFOLD TO CROSSMEMBER

These mandrel bent downpipes are the only mandrel bent 2.5" downpipes to connect directly to your stock 351 standard manifolds via a clever ball socket and flange connection. They are very easy to install. Expect 5-8 extra horsepower because of the 2.5" and smooth mandrel bends. These downpipes end right at the cross-member humps so they will easily connect to Pypes Header Back System without modifications. 5.8 litre engines. Will fit any 64-69 Mustang with 351 Cleveland Style Manifolds.

MA8835	67-69	Manifold Down Pipes w/2.5" Collectors - Mandrel Bent.....	\$138⁹⁹
---------------	-------	---	---------------------------

CROSSMEMBER BACK HYBRID 3" X-PIPE EXHAUSTS

Need a 3" Exhaust System, but are concerned about the fit around your shocks and/or gas tank? With plenty of flow to handle the horsepower and a fit that rivals OEM, the new Pypes 3" Hybrid Systems combine the best of both worlds. These systems use our 3" X-Pipe technology and a set of custom (3" in to 2.5" out) mufflers connected to a set of 2.5" mandrel bent tailpipes. These kits are complete with all the required 3" to 2.5" components to get you from the cross-member back with ease. All components are constructed of 409 stainless steel and backed by our limited lifetime warranty.

PYPES INTERMEDIATE X-PIPE KITS

High quality, exceptional design and performance define our crossover product line. They are a proven winner when it comes to bumping up the horsepower of your daily driver or race car. Our driveshaft tunnel X Crossovers fit a variety of classic cars that are prone to limited ground clearance. There's no skimping on materials here. This semi-universal crossover is designed to let the rear legs of the crossover run in the driveshaft tunnel for extra ground clearance.

FULL FRAME RAILS

Manufactured in the USA utilizing USA steel. Correct gauge steel used as dictated by the products' application for safety and strength. Laser cut and assembled using precision jigs for the perfect fit. Product's edges deburred for safety during installation and to enhance critical fitment. All product welds certified by an accredited independent lab using metallurgical analysis.

TERMINATOR EFI 4BBL THROTTLE BODY FUEL INJECTION MASTER KIT - HARD CORE GRAY

Holley is proud to announce the release of their Terminator EFI Throttle Body Injection Master Kits. These complete kits include the 4Bbl Terminator EFI Throttle Body Injection System w/ 3.5" color touch screen + EFI Conversion Fuel System. They are compatible with naturally aspirated V8 engines from 250-600 horsepower. With everything in a single box, these kits make it easier than ever to convert your carbureted vehicle to reliable fuel injection!

#MA8492 1965-1966 VHX Instrument System

#MA8498 1967-1968 VHX Instrument System

DAKOTA DIGITAL VHX INSTRUMENT SYSTEMS

The VHX series fits into your existing gauge bezel. Choose from black, silver or carbon fiber gauge face styling and red, blue or white LED backlighting. Fully lit needles, backlit faces, and highly visible LCD message centers are a few of the things that you can see which set the VHX series apart from yesterday's traditional approach to instrumentation. A few of the features which you don't normally see are the micro-controlled precision stepper motors, solid state sensors for unparalleled accuracy, and user-customizable display feedback, all supported by an unrivaled limited lifetime warranty! Front bezel is not supplied.

#MA8460 1967-1969 HDX System

#MA8461 1969-1970 HDX System

DAKOTA DIGITAL HDX INSTRUMENT SYSTEMS

HDX systems allow the user to select independent illumination colors for the gauge readings and needles, as well as the message centers. Calibration and personal settings are manipulated with the built-in, capacitive-touch buttons, or the available bluetooth app for apple and android devices. All HDX instrument systems feature dead-faced indicators (turn signals, high beam, check engine, cruise control, parking brake, plus two user-definable), and a red, settable warning light for each gauge. With our central control box, installation is greatly simplified with vehicle-harness sourced signals and supplied solid state sending units connecting cleanly to their respective terminal.

A/C RETROFIT UNDERDASH CONVERSION KIT

Custom underdash cool only A/C system for 1965-1966 Ford Mustang with original 289 or 260 V-8 with alternator. System includes the required 3 groove crankshaft pulley. Easy to install! Underdash unit mounts to bottom edge of dash. Chrome ball louvers and brushed aluminum face give a nostalgic original appearance. Four speed switch operates 3 speed blower motor with dual fan wheels providing approximately 260 CFM of airflow. High volume 32 pass coil is 16-33% larger than similar competitors units. The custom condenser assembly provides maximum cooling capacity using the aluminum supercool condenser assembly with factory style drier and mounting brackets. Sanden style compressor and bracket mount on the drivers side of the original 289 v-8 engine.

Stereo USA-230
AM/FM - 200 Watt

AM/FM RADIO - USA-230

Due to the great success of our USA-630 radio we now bring you the USA-230. This new model radio has the same cosmetics as the USA-630. If you don't need USB/MP3 or CD changer control this is the model for you. An awesome looking radio at a great price. Radio has no cassette but comes with auxiliary audio input. If you have a portable MP3 player or Satellite radio just plug it into the Aux input and listen to it through this radio. Features: AM-FM Stereo • 200 Watts (4x50) • Auxiliary Input (RCA Rear) RCA to 1/8" pin jack included • Digital Clock • Electronic Tuner • 16 Pre-sets (4AM-12FM) • 4 Channel RCA Pre-outs • 4 way Fader • Power Antenna Lead.

MA18011 64-66 Radio - AM/FM - USA-230..... \$179⁹⁹

TMI's first generation Mustang seat covers feature exact & authentic colors, which makes matching OEM and TMI colors easy and accurate. TMI vinyl seats use the thickest vinyl in the industry. This helps your seats to look new longer, hold up to wear better and retain their original shape. Even the piping (or welt) on the seat covers are manufactured to be 23 times thicker than vinyl wrapped cord. TMI Seat Covers are professionally **MADE IN THE USA** from the best quality materials, making them the Mustang Restorer's choice! Complete sets include the front bench or bucket seats and the rear seats. Bench seat covers include the center armrest upholstery. **TMI's Pony Interior is officially licensed by Ford.**

ELECTRIC ASSIST POWER STEERING UPDATE KITS

Lightweight steering at parking lot speeds and the feel of modern steering on the highway. The computer measures the amount of effort on the steering wheel and amplifies it with the aid of the electric motor. A Potentiometer gives you control over the amount of assistance provided, allowing you to fine tune your EPAS experience. Included in the kit is the computer, electric assist motor, mounting brackets, wiring harness and installation instructions. Kits with steering columns feature a proprietary Ididit column for ease of installation. Kits without columns will require you to permanently modify your original steering column to work with the EPAS system.

RACK & PINION CONVERSION KITS

Steeroids Rack & Pinion Conversion Kit for Ford Mustang! Your classic deserves greatly enhanced steering control & improved steering feel. Stock steering is vague & unresponsive, especially "on center". Steeroids Rack & Pinion offers much quicker ratios over the stock, barge-like 4 turn lock-to-lock steering. As an added benefit you get a lighter weight steering system - Steeroids saves up to 25 pounds when compared to the stock steering system. All Steeroids kits are an entirely bolt on installation - absolutely no welding, cutting or drilling. Installs with basic hand tools in approximately 3 hours. All Steeroids rack & pinion conversions are complete kits with all necessary parts included.

Kits include: Rack & Pinion, Column (Ford Spline), All necessary Brackets, PTFE lined self-cleaning & lubricating Tie Rod Ends, U-joint Assembly, All necessary Hardware & Fasteners & detailed Instructions. Made in the USA. Five Year Warranty.

1964-1970 COILOVER SYSTEMS

RideTech continues to offer to-day's hot rodders the ultimate in ride quality, handling performance, and now, SIMPLICITY, with RideTech CoilOver suspension packages. Our coil based systems have pre-engineered spring rates, allowing you to leave out the guess work. Our coilover systems are bolt-on solutions that are easy to install and adjust.

LEVEL 2 — Stepping up to our most popular Level 2 system will include upgraded aluminum adjustable shocks, StrongArm control arms, as well as the RidePRO Digital fully programmable electronic control system for air systems. The Level 2 package provides more adjustment and performance potential for both track use and ride quality. For anyone looking for a system that runs well right out of the box while leaving the opportunity for quick adjustments, we recommend this kit.

Complete Level 2 SA CoilOver System for 64-66 Mustang. Includes front & rear HQ Series CoilOvers, front upper & lower StrongArms, TruTurn & Bolt-On 4 Link.

ridetech 

AIR SUSPENSION SYSTEMS

The benefits of an air spring: adjustable ride height, variable spring rate & improved ride quality. Our air systems include impact forged monotube shocks & high endurance airbags that provide superior performance that you would expect from our coil based systems. Air suspension systems may take a little extra work to setup but it's a small price to pay for ultimate adjustability.

LEVEL 1 - The Level 1 system features pre-adjusted shocks that are dialed in to provide a great ride quality and improved handling over stock. The Level 1 Air system is also equipped with a manual RidePRO analog control system to save expense while still providing complete control over ride height. This is a great economical choice for improving ride quality for your cruiser and is an easy way to install an air suspension that will allow you to lower your stance.

1964-1970 Mustang QUADRA-Link Rear Suspension Kits

This is a great way to upgrade from original leaf spring suspension. Unlike our competitors, our exclusive 4-link geometry design is uncompromised to achieve the best possible handling. The Detroit Speed "Swivel-Link" allows the suspension to fully articulate with smooth solid motion with no binding. The best feature is that this is achieved without heim-joints. Heim-joints are noisy and wear out fast. The Detroit Speed, Inc. QUADRALink™ utilizes tuned high-durometer rubber bushings (in place of heim joints or squeaky urethane bushings). The long upper links provide great pinion and u- joint angle control. Contrary to competitors' kits, our kit utilizes a panhard rod that provides precise and effective rear axle lateral location during hard cornering. The panhard rod is adjustable as ride height changes for roll center control. Also included is a rear sway bar. The sway bar is powdercoated gloss black and includes end links, bushings, and mounting brackets for installation. Don't settle for anything less than Detroit Speed's QUADRALink™ rear suspension!

Detroit Speed, Inc. QUADRALink Features:

- No compromises in suspension geometry
- Detroit Speed exclusive no-bind "Swivel-Link™" technology
- Designed to work with Detroit Speed Mustang Mini-Tubs
- DSE/JRi Aluminum body coilover shocks with 'Detroit Tuned' valving
- Coilover Springs
- Upper floor pan crossmember assembly significantly stiffens rear body and frame section
- Long panhard rod for rear axle lateral control during hard cornering
- Adjustable mounting points for correct geometry at different ride heights
- Includes .750" OD x .156" wall rear sway bar
- Designed for a 3" Exhaust
- Spanner Tool for easy shock adjustments
- All links are powdercoated satin black

Note: Axle brackets require a 3" axle tube

1964-1970 Mustang Aluma-Frame Front Suspension Kits

BASE SHOCKS - FORD 5X4.5" BOLT
PATTERN

All aluminum front suspension systems for 1964.5 -1970 Mustangs featuring Detroit Speed's unique suspension geometry with 6" of suspension travel for the ultimate in ride and performance.

Detroit Speed, Inc. Aluma-Frame Features:

- Unique cast aluminum cradle and mounting components resulting in a high strength to weight ratio & precise fitment
- Tubular upper and lower control arms
- 'Detroit Tuned' rack & pinion steering
- DSE/JRI aluminum coilover shocks with Detroit Tuned valving available in fixed valve, single adjustable, double adjustable or remote canister double adjustable versions
- Torrington Bearings
- Splined integrated style Sway bar
- Detroit Speed's Speed-LIGN caster/camber adjusters allow a wide range of adjustability to be made precisely & quickly without needing any additional shims
- Utilizes aluminum uprights and hub packs with a Ford 5" x 4-1/2" bolt pattern
- Can fit up to P265/35R18 tires on a 9" rim on early models & up to P295/35R18 tires on a 10.5" rim on later models
- Retains stock framerails and inner fenders and only requires a small amount of fabrication for installation
- Engine mount kits available for Ford small block Windsor engines, Ford FE big block engines, Ford 4.6, 5.4, and Coyote 5.0 modular engines including the Boss 302; as well as, GM LS engines
- Spanner Tool for easy shock adjustments
- Forged Detroit Speed Spindle
- Composite Sway Bar Bushings

Base Shock: The DSE/JRI 'Detroit Tuned' base shock is a 'pure blood pedigree' racing shock in its most efficient form as a non-adjustable unit. Although non-adjustable, it shares all the increased dynamic responses of all the JRI adjustable models while providing excellent ride quality on the street.

Note: Sway bar arms are satin black, upper and lower control arms are gloss black.

Note: Must use at least 17" wheels that require a minimum inside wheel diameter of 16.250".

Note: The Aluma-Frame will need to be modified to clear the alternator on the Coyote engine application. Detroit Speed offers an alternator relocation bracket that will be required along with modifying the Aluma-Frame to fit the Coyote engine. Call for details.

Note: For competition applications, the Detroit Speed rack & pinion fluid transfer conversion kit will replace the hardlines on your Detroit Speed rack & pinion using -4 AN steel fittings. The hoses are Teflon lined to handle the high pressure demands of the steering system and come with pre-crimped stainless steel fittings to attach to the -4 AN fittings.

STEEL CHROME WHEELS

This classic styled wheel offers vintage Mustang owners a beautiful wheel in sizes ranging from 14x5" to 15x8". The wheel features a brilliant show chrome finish center with Mocha Silver or Charcoal Silver painted windows. As mid-1960s Ford Mustang Wheels continue to get more expensive and harder to find, premium quality reproduction wheels like these are a welcome offering for Mustang restoration projects. **Proudly Made in the USA!**

LEGENDARY MAGNUM 500 WHEELS

The Legendary Magnum 500 alloy wheel is the ultimate expression of the nostalgic muscle car attitude. This iconic design is enhanced with precision aluminum alloy construction and CNC machined details for a show winning look. Available with a gloss black and machined finish for a traditional look or a satin finish for that custom hot rod look. Center caps and lug nuts sold separately.

LEGENDARY STYLED ALLOY ALUMINUM WHEELS

Inspired by the timeless classic look of the original styled steel wheel - this fresh cast aluminum design establishes the new standard of classic Mustang styling. With strong 5 spoke styling, precision machined details and a deep stepped lip - the new Styled Alloy wheel will compliment the look of your car and turn heads on the street. Finish the look of your dream car with one of 11 different die-cast center cap designs. Center caps and lug nuts sold separately.

LEGENDARY MAGNUM 400 WHEELS

The Legendary Magnum 400 alloy was designed exclusively for classic Mustangs, Fords and Mercurys with a 4-lug bolt pattern. This hot new wheel design allows owners of these 4-lug classics to add cool custom alloy wheels without having to do a 5-lug conversion. The size and back spacing of the Magnum 400 is ideal for these classic cars providing ample clearance and more tire options. They feature a bold spoke design that was inspired by the muscle car era of the 60's and 70's. Crisp CNC machined details, slot windows and contrasting accent panels complete the look of this instant classic design. Center caps and lug nuts sold separately.

LEGENDARY GT9 5-SPOKE WHEELS

This rim was inspired by the factory Shelby rim used on the infamous 1969-70 GT350 and GT500's. It was and still is a sexy combination of the original Torque Thrust and the iconic Magnum 500. Choose from three Legendary Wheel versions: - natural spokes as seen on original Shelys - charcoal spokes for a nice contrast that would complement any car - black spokes resemble the Magnum 500

at-a-glance, but upon closer inspection reveals a unique spoke design that will set your car apart. All versions feature a gloss clear coat for protection. Although most of our optional hubcaps will fit these rims, if you are not ordering the original Shelby Hubcap then you must order our Hubcap Adapter Kit.

MA91556	64-73	GT9 5-Spoke Wheel - 15x7 - Black	\$180⁹⁹

LEGENDARY WHEELS - GT5 - ALLOY 15"x7"

The Legendary GT5 alloy wheel is inspired by the original wheels equipped on 1965 Shelby GT350's. The original wheels were a 15 x 6 two piece alloy / steel design. The new GT5 is a 15" x 7" one piece cast aluminum alloy wheel that is significantly lighter and can accommodate larger tires. Each wheel features CNC machined details and a clear coat finish for a show winning look. Legendary Wheel Center Caps are included with wheel. Ford center caps are sold separately.

MA14890 65-73 Legendary Wheel - GT 5 **\$208⁹⁹**

#MA14897

LEGENDARY WHEELS - MAGSTAR II - ALLOY 15"x7"

The Legendary Magstar II is the modern interpretation of the Kelsey Hayes wheels originally equipped on 1967 Shelys. This stylish split 5-spoke design with bright sculpted details and contrasting accent panels is the perfect addition to any classic Ford muscle car. Each wheel features a precision one-piece cast aluminum structure with a CNC machined face and a durable clear coat finish. The lighter weight one-piece design of these wheels also provides a significant weight savings over the original steel/cast aluminum design delivering improved acceleration and breaking performance. They are available with gloss black or charcoal accents. Legendary Wheel Center Caps are included with wheel. Lug nuts and officially licensed Ford / Shelby center caps sold separately.

#MA14894

LEGENDARY WHEELS - GT6 - ALLOY 15"x7"

The Legendary GT6 is inspired by the 1966 Shelby GT350 10-spoke alloy wheel. This updated design was created using state-of-the-art casting technology for superior strength and precision. Each wheel features a CNC machined gloss black face with a clear coat finish. The GT6 is available exclusively in 15" x 7" to allow for more tire options. Legendary Wheel Center Caps are included with wheel.

SELECTA-SPEED WIPER KITS

Detroit Speed's Select-Speed wiper kit provides you with the performance and convenience of a late model wiper system in a package that easily and clearly mounts in your vehicle. The wiper kit contains a low profile, 7-speed wiper motor with 5 delays, low speed and high speed. The wiper switch and wiring harness plug into a wiper control module located under the dash. The wiper motor connector is already installed on the wiring harness, saving you from having to pin out the wiper motor connector. The wiring harness has also been simplified with new wiper control module design.

Since 1989, Neonetics has offered hundreds of different neon light inspired products. Their extensive collection of clocks and signs are given a colorful edge with neon lights and LED accents.

MA35500 Red Neon Sign
Size: 24w x 24h x 4d **\$300⁹⁹**

MA35501 Cobra Neon Sign
Size: 24w x 24h x 4d **\$300⁹⁹**

MA35502 Mancave Neon Sign
Size: 24w x 6h x 4d **\$235⁹⁹**

MA35504 Shelby Cobra Sign
Size: 24w x 24h x 4d **\$300⁹⁹**

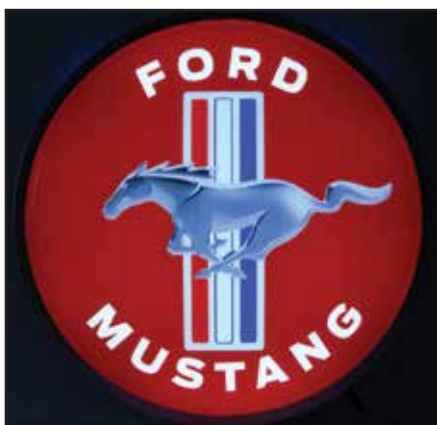

MA35505 Cobra Shaped Sign
Size: 20w x 28h x 4d **\$300⁹⁹**

NEONETICS inc.

Neon signs are made the same way since the invention of neon lighting in 1903. Each sign takes about 2 man days to make and each neon sign is made up of between 5 and 12 hand blown neon tubes. All neon tubes start out as 4 foot straight raw tubes of glass. Some tubes have colored glass. When they are turned off, they appear similar to colorful stained glass murals in a church. The stained glass colored tubes are very expensive and are hand drawn even to make the raw tubes.

The other primary type of tube is white when turned off. These tubes have a phosphorus coating inside which turns argon gas to yellow, green, purple, white etc. Electricity excites the gas which then lights the phosphorus coating. The phosphorous coatings have different formulations generating different colors, so with handmade welds, a single tube can have many colors when lit.

For example, multi-colored neon sculptures are all one single tube, yet they may consist of different phosphorus sticks welded together and then bent over a long torch by hand. Every single tube is welded and then bent by hand over a ribbon burner. Once the tubes are hand bent to the desired shape, the tubes are filled with either an argon/mercury mix or pure neon gas.

MA35509 Mustang 15" LED Sign
Size: 15w x 15h x 4d **\$107⁹⁹**

MA35510 Slim LED Sign
Size: 16w x 16h x 3/8d **\$128⁹⁹**

MA35506 Mustang Art Deco Neon Sign in Steel Can Size: 39w x 28h x 7d **\$714⁹⁹**

MA35507 Red 36" Neon Sign in Steel Can Size: 36" in diameter..... **\$749⁹⁹**

NEON SIGNS IN STEEL CANS

These signs feature multi-colored, hand blown neon tubing. Each sign is 3 feet across and the glass tubes are surrounded by a sturdy, commercial grade black steel housing. Your neon sign will arrive at your door suspended in a wood crate made especially to transport this giant neon sign. Unpacking instructions are included. All you do is hang it up and plug it in – no assembly or special wiring required! Neonetics neon signs have a warm mesmerizing glow and are powered by industrial strength transformers, which operate silently and more efficiently than incandescent bulbs.

MA35514 Boss 302 Neon Clock Size: 15w x 15h x 3d..... **\$61⁹⁹**

MA35515 Mustang Red Neon Clock Size: 15w x 15h x 3d..... **\$61⁹⁹**

MA35516 Since 1964 Neon Clock Size: 15w x 15h x 3d..... **\$61⁹⁹**

MA35517 Mancave Neon Clock Size: 15w x 15h x 3d..... **\$52⁹⁹**

MA35518 Shelby Cobra Neon Clock Size: 15w x 15h x 3d..... **\$61⁹⁹**

NEONETICS^{inc.}

- Our Neon Clocks feature a chrome finished rim and a colored neon tube.
- Clock needs 1 AA battery (not included).
- Neon is powered by AC adapter (included) & easily plugs into regular outlets.
- 15 inch diameter. For indoor use only.
- Officially Licensed Product.

FENDER GRIPPERS

Protect your precious paint job when you're under the hood with our Fender Grippers. Work in style knowing that your exterior is protected from those annoying scratches that might otherwise ruin your work of art. Made from a non-slip material that will not slide off of slick surfaces, you can rest assured that your tools will not slip off the fender gripper. The Fender Gripper is completely washable and impervious to motor oil so clean up is a snap!

MUSTANG BOSS 429

The Boss 429 has its roots in NASCAR racing. By 1967, Ford had enough, and the Boss 429 was the answer. Chrysler's 426 Hemi was dominating NASCAR competition, and Ford's attempt to race the 427 SOHC "Cammer" had failed. So Ford and its engineers, with the help of Holman-Moody, returned to the drawing board to create a clean-slate big-block engine to beat the dominant Hemi.

HOW TO REBUILD FORD FE ENGINE

Ford FE engines, which were manufactured from the late 1950s all the way through the mid-1970s, were designed as the large-displacement engines in the Ford line-up. FE means Ford Edsel, and reflects an era when Ford sought to promote the Edsel name. The design of these engines was implemented to increase displacement, as were most big blocks of the era, but they grew quickly to fill the needs of rapidly changing chassis requirements & consumer demand for larger vehicles. In Ford FE Engines: How to Rebuild, you will learn everything you need to know to rebuild one of these legendary engines.

1964 1/2 - 1973 RESTORATION GUIDE

This ultimate book of knowledge on Ford's famous pony car has been updated to include all models through 1973. A technical reference source for an authentic restoration, judging parts and options originality, and deciphering serial numbers and data plate codes.

Packed with 1,000+ photos, this book covers all first-generation Mustangs, from the earliest 1964 1/2 and 1965 models up through 1973.

MA74996 1964 1/2 - 73 Mustang Restoration Guide **\$33⁹⁹**

MUSTANG RED BOOK

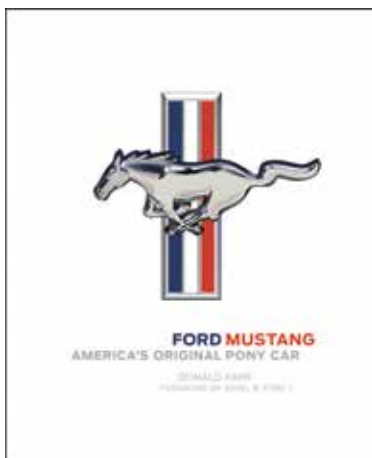

The Mustang is America's most popular pony car. Whether you're a collector, historian, or arm-chair enthusiast, you need all the specs & details that define each Mustang year and model. The Ford Mustang Red Book is your one-stop information shop - a key companion for shows, auctions or any venue where you need to quickly & easily access accurate reference data.

MA75000 1965-2015 Mustang Red Book..... **\$21⁹⁹**

AMERICA'S ORIGINAL PONY CAR

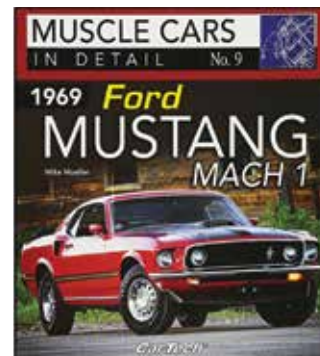

In the early 1960s, Lee Iacocca--then director of the Ford division at Ford Motor Company - convinced Henry Ford II to produce a sporty four-seat car aimed at the emerging youth market. That car, essentially a reconfigured and re-skinned Falcon economy car, became the Ford Mustang, and it changed the automotive world like no other car before or since. In Ford Mustang: America's Original Pony Car, acclaimed Mustang writer Donald Farr celebrates this unbroken lineage of muscle. He chronicles the car's phenomenal first-year sales, the new pony car category it pioneered, and subsequent models that include the Mustang GT, Shelby GT350, Shelby GT500, Super Cobra Jet, Boss 302, and Boss 429 - all part of a line of American performance cars that continues to this day. Created in cooperation with Ford Motor Company and featuring some 400 photos from its historic and media archives, Ford Mustang is a must on the bookshelf of any muscle car or Ford aficionado.

MUSTANG 1969 MACH 1

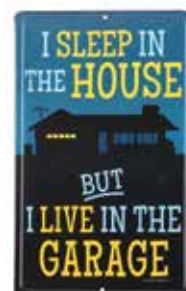

By the time the 1969 model year rolled around, it was well established that muscle cars were fast and plentiful. Every manufacturer had at least one corner of the showroom where the "go fast" guys could congregate and discuss the merits and time slips of the latest performance offerings. Competition being what it was, manufacturers were looking for ways to entice potential buyers to choose their product over ever-increasing offerings from the competition.

POLICIES

Terms and Conditions: Goods and/or services sold by our company, hereinafter referred to as "Seller", to customer, hereinafter referred to as "Buyer", are expressly subject to these terms and conditions set forth below. Any proposal for different or additional terms and conditions contained in any prior oral or written communication, including, without limitation, are hereby objected to and rejected, but such proposal shall not operate as a rejection of this agreement unless such variances are in the terms of the description, quantity, price or delivery schedule of the goods and/or services but shall be deemed a material alteration thereof, and this agreement shall be deemed accepted by Buyer without said additional or different terms. Buyer's acceptance of shipment or performance and/or payment for the goods or services constitutes acceptance of Seller's terms and conditions. The Seller may, from time to time, change or supplement these terms and conditions.

Payment: We Accept Credit & Debit Cards, Checks and Money Orders. Payment must be received in full prior to shipment.

Prices Subject to Change: All prices and/or discounts are subject to change without prior notice. All prices quoted by Seller will be in effect for a period of thirty (30) days from the date of the written quotation unless otherwise stated. While every effort is made to ensure accuracy, Seller is not responsible for errors or omissions or unforeseen price adjustments in distributed catalogs or our website. Note: Some non-discount, limited discount or pre-discounted items may be excluded from certain promotional pricing and cannot be combined with other offers.

Limited Warranty: Seller makes every effort to list the warranty for each product on the product webpage. Unless otherwise specified, all products are warranted to be free of defects in workmanship and materials under normal use for a period of 30 days from the invoice date.

Limitation of Liability: Seller's liability on any claim for loss or damage arising out of this contract or from the performance or breach thereof or connected with any goods or services supplied hereunder, or the sale, resale, operation or use of goods, whether based on contract, warranty, tort (including negligence) or other grounds shall not exceed the price allocable to such goods or services or part hereof involved in the claim regardless of cause or fault. Seller shall not under any circumstances be liable for any labor charges without its prior written consent. In no event shall Seller be liable for any incidental or consequential damage, including but not limited to, loss of profits or revenue, loss of use of products or associated product, cost of capital, cost of substitute products, facilities or services, downtime costs, or claims of customers of Buyer for such damage.

Shipping Damage, Lost or Missing

Merchandise: Unless otherwise noted, all sales of goods are made F.O.B. point of shipment and, in all cases, title and risk of loss or damage shall pass upon Buyer with delivery to the carrier at point of shipment. Seller reserves the right of carrier selection. Delivery dates given in advance of actual shipment of goods or performance of services are estimates and shall not be deemed to represent fixed or guaranteed delivery dates. Buyer is required to examine all shipments upon arrival to ascertain condition. If any shortages or damages occurred in transit, please contact Seller within 5 days of receipt for instructions on how to proceed. Failing to do this could jeopardize the refund or replacement of the damaged or missing items. Please save the original box and packaging materials for inspection by the carrier. Damage/loss claims cannot be filed after 15 days from the date of receipt of the package. Items shipped via truck must be opened and inspected while the driver is still on the premises, and damage noted if there is any.

Refused Shipments: If a shipment is refused, customer will be charged for shipping and handling plus a restocking charge of 15% of the product value.

Returns: You may return products other than Special Orders, if returned in unused, original condition in original packaging. There is no need to call for authorization. Complete the Return Form enclosed with your shipment and send the package back to us. It is recommended that you insure the package and retain your receipt of shipment. No COD returns will be accepted. Qualified returns will be refunded in the same method they were paid (i.e. credit card refund or refund check). There will be a full refund on returns up to 30 days from invoice date. Qualified returns older than 30 days but less than 90 days, will be assessed a 25% restocking fee. Special orders, custom products, electrical products, tools, books, videos, CD's/ DVD's, exhaust products after installation, returns of partial sets/kits or returns more than 90 days old will not be accepted. Any unauthorized returns will be mailed back to customer at customer's expense.

Core Return Policy: Our rebuilders are not able to accept core returns on items once they have been modified in any manner. In order to receive full core credit, core returned must be from a vehicle that is the same year, application and options as the item ordered. Core must be complete, in rebuildable condition and drained of all fluids to receive full credit. Cores are to be shipped to Seller pre-paid by the customer. Core verification takes approximately 3-4 weeks. If you have any questions, please contact our Customer Service Department prior to returning.

Force Majeure: Seller shall not be liable for failure to deliver or for delay in delivery or performance due to (i) a cause beyond its reasonable control, (ii) an act of God, act or omission of Buyer, act of civil or military authority, governmental priority or other allocation or control, fire strike or other labor difficulty, riot or other civil disturbance, insolvency or other inability to perform by the manufacturer, delay in transportation, or (iii) any other commercial impracticability. If such a delay occurs, delivery or performance shall be extended for a period equal to the time lost by reason of delay.

Indemnification: Buyer hereby (1) waives, releases and discharges any and all claims with the exception of claims for breach of this sales contract of every kind, including, but not limited, to injury or death of any person or damage to property, which it may have at any time against Seller, its agents or employees, by reason of or arising out of any condition of or defect in the goods and (2) covenants to indemnify and hold harmless Seller, its agents and employees from and against any and all loss, damage, expense, claims, suits, costs of defense, including attorney's fees which Seller or any or its agents or employees may sustain or incur at any time for or by reason of any injury to or death of any person or persons or damage to any property arising out of any condition of or defect in the goods or any claimed

inadequate or insufficient safeguards of safety devices or warnings.

Governing Law: This Agreement shall be governed by and construed according to the laws of the State of Pennsylvania.

Entire Agreement: This Agreement sets forth the entire agreement and understanding of the parties relating to the subject matter herein and supercedes any prior discussions or agreements between them. No modification of or amendment to this Agreement, nor any waiver of any rights under this Agreement, shall be effective unless in writing, duly executed by both parties.

Severability: If any provision of this Agreement is held to be invalid by a

court of competent jurisdiction, then the remaining provisions shall nevertheless remain in full force and effect.

Assignment: Buyer shall not assign or delegate any or all of its duties or rights hereunder without Seller's prior written consent. Any assignment or delegation made without Seller's consent shall be null and void.

Headings: Headings used in this Agreement are provided for convenience only and shall not be used to construe meaning or intent.

About California Proposition 65

California's Proposition 65 entitles California consumers to special warnings for products that contain chemicals known to the state of California to cause cancer and

birth defects or other reproductive harm if those products expose consumers to such chemicals above certain threshold levels. We care about our customers' safety and hope that the information below helps with your buying decisions.

We are providing the following warning for products linked to this page:

WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

Motor Vehicles

California requires the following notice:

WARNING: Motor vehicles contain fuel, oils and fluids, battery posts, terminals and related accessories which contain lead

and lead compounds and other chemicals known to the State of California to cause cancer, birth defects and other reproductive harm. These chemicals are found in vehicles, vehicle parts and accessories, both new and as replacements. When being serviced, these vehicles generate used oil, waste fluids, grease, fumes and particulates, all known to the State of California to cause cancer, birth defects, and reproductive harm.

Tools

California requires the following notice:

WARNING: Some dust and particles created by power and hand tools from cutting, sanding, sawing, grinding, drilling and other activities contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

Your risk from exposure to these chemicals varies, depending on how often you do this type of work. To reduce your exposure, work in a well-ventilated area and with approved safety equipment, such as dust masks that are specially designed to filter out microscopic particles.
