ONYX COVER

INDOOR - The Onyx cover is a black, stretchy, form-fitting cover made of a polyester blend of Lycra/Spandex. The fabric has a satin-like exterior feel with a luxuriously soft underside. Its stretchability results in a sleek, form-fitting look that is easy to slip on. The front and rear hems, mirror pockets and generation-specific pattern are tailored for your Corvette. FREE storage bag and 3 year warranty included!

Onyx

52263 68-82 Onyx Cover **\$154⁹⁹**

PREMIUM FLANNEL COVER

INDOOR - The Premium Flannel Cover pampers your Corvette in a thick, double-napped layer of superior protection. Premium Flannel is 100% breathable & mildew resistant. Includes non-scratch tie-down grommets & mirror pockets. FREE storage bag and 3 year warranty included!

4017 68-82 Premium Flannel Cover ... **\$153⁹⁹**

MAXTECH COVER

OUTDOOR / INDOOR - The MaxTech cover provides strong outdoor protection at a great price, making it the most popular outdoor car cover. Features four layers of protection, front and rear elastic, custom fit mirror pockets and non-scratch tie-down grommets. It blocks out moisture, dirt and pollutants while allowing air to pass through. FREE storage bag, 2 year warranty, cable and cable lock included!

X21558 68-82 MaxTech Cover **\$92⁹⁹**

SOFTSHIELD COVER

OUTDOOR / INDOOR - The SoftShield Cover combines the outdoor protection of the MaxTech Cover with the paint-pampering qualities of the Premium Flannel Cover. SoftShield's three outer layers are made of the same UV-treated polypropylene material that makes our MaxTech Cover so durable. The inner fourth layer is made of soft polyester nap that protects your car's finish with a gentle touch. SoftShield repels dirt and pollutants while remaining breathable. SoftShield also features front and rear elastic hems, custom fit mirror pockets and non-scratch tie-down grommets. FREE storage bag, 2 year warranty, tie-down cable and cable lock.

23562 68-82 SoftShield Cover **\$143⁹⁹**

THE WALL COVER

OUTDOOR / INDOOR - Keep your Corvette safe from the elements and free of debris while it's parked outside. The Wall utilizes an advanced three-layer design that stands up feature for feature with pricier covers, but costs less. The Wall Cover is tailored to fit your C3 with an elasticized hem & deep mirror pockets. Includes non-scratch tie-down grommets & mirror pockets. FREE storage bag, 2 year warranty, cable and cable lock included!

X2162 68-82 The Wall Cover **\$102⁹⁹**

ECONOTECH COVER

OUTDOOR / INDOOR - The EconoTech protects your Corvette with a revolutionary single-layer material that remains breathable while it repels water and dirt. With its elasticized hem and mirror pockets, EconoTech is one of the finest, budget-priced covers ever made. Includes non-scratch tie-down grommets & mirror pockets. FREE storage bag and 1 year warranty included!

21536 68-82 EconoTech Cover **\$50⁹⁹**

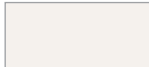

1968-1982 INTERIORS

USE YOUR CODE WHENEVER YOU ORDER...

Once you know your 2-digit color code, ordering CA's interior products is easy. When multiple colors are available, the part numbers will consist of 4 digits followed by a blank space. Put your 2-digit color code in the blank space after the part number. Example: To order a 1981 Red Door Panel, the part number would be #4433 **24**.

						
68-81 Black CODE 20	76 Bluegreen CODE 19	68-70 Bt Blue CODE 41	76-77 Buckskin CODE 57	81-82 Camel CODE 58	82 Charcoal CODE 21	81 Cinnabar CODE 39
						
80 Claret CODE 36	82 Collector CODE 60	68 Dark Blue CODE 32	73-75 Dark Blue CODE 43	77 Dark Blue CODE 45	78-81 Dark Blue CODE 48 *	82 Dark Blue CODE 46 *
						
76-78 Dk Brown CODE 55	68 Dark Orange CODE 38	70-72 Dk Saddle CODE 53	73 Dark Saddle CODE 23	78-80 Doeskin CODE 50	76 Firethorn CODE 34	82 Gray CODE 68 *
						
69 Green CODE 14	70 Green CODE 17	71 Green CODE 18	79 Green CODE 14	68-69 Gunmetal CODE 63	70-72 Lt Saddle CODE 15	73-75 Med Saddle CODE 51
						
74-75 Neutral CODE 16	73-75 Oxblood CODE 31	78 Oyster CODE 73	79-80 Oyster CODE 66	68-72 Red CODE 30	77-81 Red CODE 24 *	82 Red CODE 26 *
						
71-72 Royal Blue CODE 47	68-69 Saddle CODE 56	78 Saffron CODE 33	74-75 Silver CODE 61	81 Silver CODE 64 *	82 Silvergreen CODE 59	78 Silver Pace CODE 62
						
76-77 Smoke CODE 67	68 Tobacco CODE 28	76-77 White CODE 76				

Colors shown are approximations to assist you in determining your interior color. Actual material samples are available upon request.

*** NOTE:** Some 1981 Corvettes were manufactured with 1982 colors, depending on which plant manufactured it and the manufacture date. If you are unsure which color code is correct for your Corvette, please call a Sales Representative for assistance. If necessary, you may request color samples.

EMBROIDERED ITEMS ARE NON-RETURNABLE. CA items requiring the use of an embroidery code to order, are considered custom made and therefore are NON-RETURNABLE. Please confirm your fitment and logo choice with your preferred dealer or one of our sales representative before placing your order. All workmanship and quality warranties still apply to CA manufactured embroidered items.

#418841 1968 Bright Blue Leather Seat Covers

#419030 1970 Red Leather/Vinyl Seat Covers

1968-1978 LEATHER SEAT COVERS

You have the option of 100% Leather Seats for your 1968 or 1969, which were originally vinyl.

For 1970-1978 we offer an **Exact Reproduction**

Leather Seat (where small pieces of vinyl are used in the seat's construction as original) or a

100% Leather Seat (leather is used even where GM used vinyl).

All sets include 2 backs and 2 bottoms.

COLOR CODES ARE ON PAGE 3.

1979-1982 Seat Cover Sizing Chart — How to Select the Correct Size!

Measure Seat for 2" or 4" Bolster.

- 1 If you are using new Seat Foam, simply select Seat Covers and Seat Foam that match in size - either both 2" or both 4".
- 2 If you are using your original Seat Foam, locate the end of the horizontal pleats **A** on the seat back's insert area.
- 3 Then find the middle of the double stitching line **B**.
- 4 Now measure the distance between A and B. It will be either 2" or 4".
- 5 Then select your new Seat Covers from the listings.

OR LET US MOUNT THE SEAT COVERS FOR YOU!

SEAT FRAME RECONDITIONING SERVICE

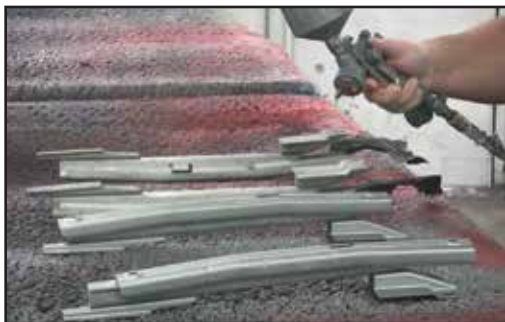

CA uses a professional sandblasting process to remove all rust and dirt from your seat frames. They are repainted so they look as good as new. Any necessary parts can be replaced for an additional charge.

90300 68-78 Seat Frame Reconditioning Service **\$216⁹⁹**

SEAT TRACK RECONDITIONING SERVICE

With CA's Seat Track Reconditioning Service, your existing seat tracks get a full service and are returned to you in like-new condition. Tracks are sandblasted, washed, painted and lubed. Service does not

include brackets or any additional repairs or parts if they are needed. This service is for two tracks (one seat). Contact a Sales Representative for service details on your particular year and model.

90307 68-82 Seat Track Reconditioning Service **\$216⁹⁹**

REFURBISHED ORIGINAL SEAT TRACKS

REFURBISHED, REPAINTED, LUBRICATED AND SHIPPED READY TO INSTALL! First, used original seat track assemblies are checked to ensure they are complete and suitable for use. Then any necessary repairs such as straightening mounting plates or replacing springs are performed. The tracks are then degreased

to remove all old lubricants, sandblasted to remove rust, cleaned and prepped for painting. Finally, they are painted, clear coated and lubricated so they are shipped to you in ready-to-install condition. **Limited availability.** Call or email for current inventory. Sold in pairs. One pair does one seat. Unless noted, will work for both driver or passenger sides.

1968-1982 SEAT CONVERSION ADAPTER FOR C5 OR C6 CORVETTE SEATS

Replace those uncomfortable C3 seats with some comfy C5/C6 seats! The CA Seat Conversion Kit #43954 makes it possible to install 1997-2013 Corvette seats into a classic 1968-1982 Corvette utilizing the original seat tracks and mounting points. Acquired C5/C6 seats will have to be slightly modified for the seat conversion to fit properly. You may choose to use the acquired C5 or C6 seats as is and install using the 1968-1982 Corvette Seat Conversion Adapter Kit #43954 or you may choose to restore and/or customize the seats using CA's seat products. CA can provide seat foam and covers to suit your individual seating needs. We supply seating packages to include seat foam sets and seat covers in 100% leather in OE colors for either C3, C5, or C6. If you're looking for a completely custom look, CA can provide a variety of leather colors, as well as thread colors. CA can also embroider eleven different GM Licensed Logos and do custom embroidery (digitizing fees apply). If you have any questions about seat conversion, seat packages or general seat questions, call to speak with a Sales Representative. The power features built into the C5/C6 seats will not be functional after the installation of this conversion kit. Due to the C5/C6 seat bottom height difference from the C3 seat, head height clearance will be affected. Note: SEATS ARE NOT INCLUDED AS PART OF THIS KIT AND MUST BE ACQUIRED SEPARATELY.

#442334 1976 Firehorn Standard Door Panel - LH

#442147 1971 Royal Blue Door Panel with Felt

1970-1977 STANDARD DOOR PANELS

CA's 1970-1976 Standard Door Panels come with all new hardware installed, including Armrest U-Trim, Lock Knob Insert Plate and Upper Door Panel Felt. Just remove your old panels and replace with these brand-new beauties. There's no need to do anything more! This reproduction 1977 Door Panel includes Felt, new Armrest U-Trim and Lock Knob Insert Plate. You can use this door panel as is, or transfer your original Upper Insert Plate and Lower Chrome Strip to create a Deluxe Door Panel. Made in the USA!

COLOR CODES ARE ON PAGE 3.

4423	70-76	Standard Door Panels - LH.....	\$391⁹⁹

1970-1976 door panels have a double row of real stitching along the top of the panel, parallel to the recessed line in the panel. It also has a single line of stitching around the insert.

1977 door panels are smooth along the top of the panel and have simulated stitching around the insert area. Originally, all 1977 door panels were "Deluxe" panels, but are now offered as "Standard" panels with felt, as an economical alternative.

1968-1977 DOOR PANEL VAPOR BARRIERS

The 1968-77 Door Panel Vapor Barriers are correctly molded from 10 mil polyethylene and trimmed to size, just like the originals. They include caulk/sealant strips and instructions.

1968-1977 UPPER DASH PADS

Get the fit, feel and look of your original! Classic Car Dashes' Upper Dash Pads are the best solution when it comes to replacing cracked and faded originals. Complete with all mounting clips and brackets already attached. 1970-77 Dash Pads feature pre-cut right and left speaker holes.

Note: Two versions of 1976-1977 Buckskin and Smoke colors are available. For the LIGHTER shade of these colors, order the regular color code 57 (Buckskin) or 67 (Smoke). For a slightly DARKER shade of these colors, order color code B2 (Dark Buckskin) or A2 (Dark Smoke). Call for a free material sample.

1968-1977 DASH SHIELDS

What sets CA's Dash Shields apart from the rest? First, these Dash Shields are constructed using the same ABS material used in the reproduction Dash Pads. That means no paint to scratch or fade. This Dash Shield is the correct color and it stays that way. Second, for 1970-77 Corvettes, the speaker holes are in the right place — no more muffled sounds due to improperly located holes or misshapen patterns. Dash Shields are a great fix at a great price. And they're simple to install with the supplied adhesive.

Note: For 1976 Dark Buckskin, order #4696B2.

1968-1982 LEATHER STEERING WHEELS

A BEAUTIFUL, CUSTOM-FIT LEATHER STEERING WHEEL AT A GREAT PRICE.

Features genuine black leather finger grip with chromed aluminum spokes and a 14" diameter deep dish. Fits all 68-75 Corvettes and 77-82 Corvettes with tilt/telescopic. Uses stock bolt pattern, factory horn button and mounts directly to the column. No installation kit required. Available in black only. Deep dish design will not interfere with turn signal lever.

Note: Steering Column Conv. Kit #20340 is required for '76 Corvettes.

1968-1982 DRIVER LEATHER STEERING WHEEL

A leather steering wheel at a great price. Similar to stock 1980-1982 steering wheels, DRIVER Steering Wheels are made from leather that isn't quite up to perfect restoration standards, making an economical alternative for an everyday driver. Fits all 68-75 Corvettes and 77-82 Corvettes with tilt/telescopic columns.

51025 68-82 DRIVER Black Leather Steering Wheel..... **\$123⁹⁹**

Note: Steering Column Conv. Kit #20340 is required for '76 Corvettes.

1976 STEERING COLUMN CONVERSION KIT

If you own a 1976 Corvette, this kit gives you more choices for replacing your steering wheel. It includes everything you need to fit 1968-1982 steering wheels to a 1976 column.

20340 1976 Steering Column Conversion Kit - for Telescopic Columns **\$203⁹⁹**

1977-1982 REPRODUCTION STEERING WHEELS

Steering wheel frames are correctly padded and wrapped with our fine interior leather. The result is a beautiful steering wheel guaranteed to be color-matched to your original interior. Fits accurately on 77-82 Corvettes with tilt/telescopic columns only. There is no core charge and no hassle of returning your old steering wheel. Simply attach your 2-digit color code to complete the part number.

COLOR CODES ARE ON PAGE 3.

CARPET COMPONENTS FOR 1978-82 CORVETTES

1968-1972 ORIGINAL CARPET UNDERLAYMENT

The only choice for the true restoration! Exactly like original, jute padding backed with rubber. Twelve-piece set covers both front and rear sections of car. All pieces are individually die-cut. Combine with any heat and sound barrier kit to maximize heat and noise reduction.

1886 68-72 Coupe or Convertible - Full Set **\$399⁹⁹**

1973-1979 ORIGINAL CARPET UNDERLAYMENT

If you own a 1973-1979 Corvette, you can beat the heat with Original Carpet Underlayment.

This four-piece kit features 2 front pieces plus 2 pieces that go over the catalytic converter.

All pieces feature the correct jute/foil or jute/fiberglass construction as original.

1944 73-79 Original Carpet Underlayment - Front-Only..... **\$179⁹⁹**

#26811 1968-75

CARPET INSULATION KITS

Reduce heat and noise with durable Carpet Insulation Kits that feature Jute padding backed with heat-reflective felting. Combine with a Heat Barrier Kit to maximize the insulating effect. Made in the USA!

VELOURTEX CUSTOM EMBROIDERED MATS

Velourtex Custom Mats, by Lloyd Mats, are high-quality floor mats embroidered with your choice of GM licensed Corvette logo. Velourtex Mats are made with 20-ounce yarn (superior to OEM mats) and are finished with a rich, smooth texture comparable to today's new model OEM mats. Velourtex Mats are available in 8 colors and feature matching woven binding, multi-layer backing that holds shape and protects original carpet and a non-skid rubber traction back. **Note:** These mats are considered special orders. Special orders are non-returnable except due to manufacturing defect.

COLOR CODES ARE ON PAGE 3.

EMBROIDERED ITEMS ARE NON-RETURNABLE. See page 3.

USE TWO PART NUMBERS TO ORDER:

1. Use part number **4762_** for Floor Mats or **4763_** for the Cargo Mat and fill in the blank with your **Carpet Color Code** (L1 through L8) from **Box 1** below.
2. Then choose your logo and logo color using part number **4762_**. Fill in the blank with your choice of **Embroidered Logo & Logo color** from **Box 2** below.

FOR EXAMPLE:

To order Black Floor Mats with the Silver 1980-1982 Script, order part numbers **4762L1** and **4762DS**.

To order a Tan Cargo Mat with the Red 1974-1975 Script, order part numbers **4763L4** and **4762BR**.

1. CHOOSE MAT CARPET COLOR:

Colors not intended to match OEM carpet colors.

2. CHOOSE YOUR EMBROIDERED SCRIPT/LOGO AND THREAD COLOR:

T-TOP PADS

Precise right down to the subtle differences unique to each year range. 1968-73 Pads are made to accommodate larger sun visors. On the '76 2nd Design, the area between the latches tapers from 1 1/8" to 3/4". On the '76 1st Design, it remains a constant 1/2". Ready to install with mounting hardware already attached.

INTERIOR DYES

CA's Interior Dye produces accurate color and solid coverage on leather, vinyl, fiberglass, plastic and metal. Available in a 12-oz. Aerosol Spray or Quart. Use your interior color code to complete the part number.

DYE SURFACE PREP

Use Surface Prep to remove dirt, oils and residue before priming. Fast drying and ready to paint in minutes.

ADHESION PROMOTOR

Promotes strong, even adhesion of topcoat material when repairing or refinishing plastics. Also works on most flexible or rigid plastics as well as painted surfaces.

PRIMER

For best results, finish off your prep work with this quality Primer. Promotes even paint coverage and a better finish.

SPRAY ADHESIVE

High-tack Interior Spray Adhesive is easy to work with and produces a strong bond between hard parts and materials.

INTERIOR DYE CLEAR COAT

Protect your reconditioning work for years to come with Interior Clear Coat. Covers your interior components with a smooth, protective finish and preserves your interior's color.

K&N REUSABLE HIGH-FLOW AIR FILTERS

Save money with these high-performance, high-flow filters that you can use again and again. K&N high-performance air filters increase air flow, improving power and mileage; operate at a higher level of efficiency for a longer period of time than stock filters; and are washable, reusable filters that will be good for the life of your engine.

NEW DELCO CALIPERS

COMPLETE CALIPER KITS — SPECIAL 1 & 2

Many of our new and rebuilt calipers on this page are available in complete sets that save you money and make it easier to replace, update or refurbish an entire brake system.

Caliper **SPECIAL 1** includes:

4 Calipers	8 Disc Brake Pads
4 pc. Rubber Brake Hose Set	4 Caliper Pad Pins
1 Pair of Rear Caliper Brake Lines	1 Piston Retaining Tool
1 Quart of Brake Fluid	

Caliper **SPECIAL 2** (also includes Park Brake)

Includes everything in **SPECIAL 1** plus:

1 Anti-Corrosive Stainless Steel Park Brake Kit
4 pc. Park Brake Shoe Set

New Caliper w/ O-Rings
Castings do not include Delco Moraine name

NEW CALIPERS WITH O-RINGS

Completely new calipers that feature New O-Ring Style Pistons & Seals, Original Style Steel Sleeves, Springs, Dust Covers, Bleeder Screw, Plugs, and Pins. Each caliper is manufactured in an ISO certified facility and individually pressure tested to ensure quality. Castings do not include the Delco Moraine name. **NO CORE CHARGE!** Includes a complete **2 YEAR WARRANTY** on the entire caliper from date of purchase. Includes seals, sleeves, boots and O-rings.

52350	68-82 New Caliper - O-Ring - Left Front.....	\$133⁹⁹

58161	68-82 New Caliper w/ O-Ring Kit - Calipers only.....	\$525⁹⁹

***Limited Lifetime Warranty:** Caliper Sleeves are warranted to the original purchaser for as long as they own the vehicle, so long as the brake system is properly maintained (correctly replacing brake fluid upon initial installation and each subsequent brake fluid change, which should be done once every two years). New rubber hoses should be installed during the initial installation of the calipers and be replaced every 5 years, as internal hose deterioration can contaminate the brake fluid. All other parts and workmanship of these calipers are warranted for 90 days from the date of purchase under normal use.

NEW NON-DELCO CALIPERS

#52354SS 1968-82 Calipers with O-Ring - **SPECIAL 1**

CALIPERS - NEW CASTING W/ O-RING & SS SLEEVE

1968-1979 WILWOOD DYNAPRO 6 BIG FRONT BRAKE KIT

SIX-PISTON CALIPERS ON 12" DIAMETER DRILLED & SLOTTED ROTORS

Six-Piston Calipers on 12" Drilled & Slotted Rotors for use with larger, aftermarket wheels. Give your classic Corvette big-brake performance courtesy of Wilwood's DynaPro 6 forged billet 6-piston calipers and 12" SRP drilled & slotted rotors. The kit includes calipers, pads, rotors, hubs, hardware and instructions. More brake kits are available for use with larger diameter wheels. Please call for more information.

22376 68-79 Wilwood Dynapro 6 Big Front Brake Kit.....**\$1269⁹⁹**

1968-1979 WILWOOD CLASSIC SERIES FRONT BRAKE KIT

FOR USE WITH STOCK SPINDLES AND WHEELS

The Classic Series Front Brake Kit delivers the braking performance of Wilwood's Forged Dynalite Calipers while maintaining the most wheel clearance of any four-piston caliper in its class. The forged aluminum calipers are paired with 11" diameter OEM style one-piece cast iron rotors—a perfect combination for your 1968-1979 Corvette with stock wheels. The kit requires no modifications and includes calipers, pads, rotors, brackets, hardware and instructions.

for use w/ stock wheels**\$829⁹⁹**

WILWOOD FRONT BRAKE KITS

FOUR-PISTON CALIPERS FOR STOCK WHEELS AND ROTORS

Wilwood's 4-piston calipers mount to the stock brackets on stock rotors to provide a low-maintenance performance upgrade for 1968-1982 Corvettes. These direct OE replacements feature billet aluminum bodies, stainless steel pistons and high-temperature seals. They're lighter than stock, provide consistent braking performance and put an end to rust and bore pitting that plague the original calipers. Kits include DOT Stainless Steel Brake Lines, Calipers, Hardware and BP-10 Compound Pads.

22378 68-79 Wilwood Caliper Kit - Front.....**\$729⁹⁹**

WILWOOD REAR BRAKE KITS

FOUR-PISTON CALIPERS FOR STOCK WHEELS AND ROTORS

Wilwood's 4-piston calipers mount to the stock brackets on stock rotors to provide a low-maintenance performance upgrade for 1968-1982 Corvettes. These direct OE replacements feature billet aluminum bodies, stainless steel pistons and high-temperature seals. They're lighter than stock, provide consistent braking performance and put an end to rust and bore pitting that plague the original calipers. Kits include DOT Stainless Steel Brake Lines, Calipers, Hardware and BP-10 Compound Pads.

SPEED BLEEDERS

Bleeding brakes with one person is EASY with Speed Bleeders. These zinc-coated, stainless steel Bleeders replace your originals and use a check ball and patented thread sealing system to prevent air from being pulled back into your brake lines. Dust Caps are included.

DIRECT-FIT ALUMINUM RADIATORS

These Direct Fit Aluminum Radiators fit up to the factory hoses and original supports with no modifications. No cutting. No bending. No installing different hoses. Each core features a double row of extra wide, high-quality tubes, louvered fins and press-formed end tanks. Cores are furnace brazed for the ultimate tube-to-header welds without epoxy. Best of all, they cost much less than other Aluminum Radiators and they're backed by a three-year Manufacturer's Warranty.

STANDARD DIRECT FIT ALUMINUM RADIATORS

Standard Direct Fit Aluminum Radiators feature 1" tubes.

DIRECT FIT RADIATORS w/ BLACK ICE COATING

DeWitts Direct Fit Aluminum Radiators are designed to install into the stock core support & use factory connections without any modifications or adapters. Black Ice Coating is a special epoxy that adheres to aluminum without peeling or flaking. It is only 3-5 mils thick and it does NOT affect the cooling performance of the aluminum radiator. The semi-gloss finish resembles the older enamels used on copper/brass radiators to keep that original look under the hood.

#58345 1969-72 Direct-Fit Aluminum Radiator Module with Dual Spal Fan Kit - Black Ice - Manual

RADIATOR MODULES w/ FANS

DeWitts Direct Fit Aluminum Radiators are designed to install into the stock core support & use factory connections without any modifications or adapters. Kit includes SPAL Fan Module(s) with Brackets, Wiring & Sending Unit perfectly matched to the radiator core. Each Direct Fit Radiator starts with a USA made core, Furnace Brazed, with two rows of 1" cooling tubes, serpentine finned & epoxy free. Press formed end tanks are manually tig welded - not expoxied - in the USA, providing the ultimate in strength and appearance.

#58349 1969-72 Direct Fit LSX Aluminum Radiator with Cross-Flow Core & Dual Spal Fans - Automatic

#58277 1968-72 OS Aluminum Radiator - BB Size in SB Core Support with Dual Spal 11" Fans - Manual

DeWitts DIRECT FIT LSX-SERIES RADIATORS

DeWitts LSX MODIFIED Aluminum Radiators are designed to install into the stock core support and use factory connections without any major modifications or adapters. Kit includes SPAL Fan Module(s) with Black Ice brackets and framing, wiring, and sending unit perfectly matched to the radiator core. Inlet and Outlet are moved to the passenger side to match the LSX Coolant System design. Will eliminate the pressurized surge tank (where used as OE). The Black Ice Radiator is coated in a product specifically designed to adhere to aluminum without any reduction in heat transfer. It is a special two part epoxy paint that is chemically hardened and it shrinks as it cures to a thickness of .001", giving a stock look without the penalty of traditional paint. Each LSX MODIFIED starts with a USA Made Core, furnace brazed, with two rows of 1" cooling tubes, serpentine finned and epoxy free. Press formed end tanks are manually tig welded - not expoxied - in the USA, providing the ultimate in strength and appearance. This radiator is built with the Integrated transmission cooler with factory type fittings.

1977-1982 SHIFTER CONSOLE PLATES

These 1977-1982 Shifter Console Plates are pre-cut for all the necessary switches. Just order according to your Corvette's options. Each plate works for both manual and automatic transmission cars. Plates come with the slot for an automatic indicator. If you have a manual, the shift indicator plate [sold separately] covers the slot. 1980 Early design has a 1" square opening for the rear defroster switch. On the 1980 late design, this opening is 1"x 2".

29700	68-72	Transistor Ignition Replacement Module - replaces original circuit board in amplifier.....	\$152⁹⁹

1968-1974 BREAKERLESS SE IGNITION KIT

Convert any GM V8 breaker point-type distributor with a windowed-type distributor cap to a reliable, solid-state electronic ignition that looks like stock. The fully integrated trigger and power module fits completely inside the distributor. No additional wires protrude from the distributor, only the original points wire. Features over-current protection. Covered by a 3-year manufacturer's warranty.

ACCEL HEI DISTRIBUTOR MODULE

The solid state electronics in this HEI high-performance module produces higher output and superior reliability over stock. Dwell control circuitry delivers a long, consistent charge and the current control circuit prevents overheating.

#51123

51122	75-80 Distributor Module - Accel - 4 pin	\$52⁹⁹
51123	81-82 Distributor Module - Accel - 7 pin	\$66⁹⁹

Accel Ignition Coils, Distributor Components, Spark Plugs and Spark Plug Wires are designed to make your Corvette's ignition perform reliably and efficiently. Accel's innovations in ignition wire & distributor technology have earned the trust of auto and performance enthusiasts everywhere. Accel delivers a better spark & more MPG's. Get started with Accel.

#51109

#51124

#51112

ACCEL SUPER COILS

Accel Super Coils deliver 10% to 15% more energy than OEM coils by utilizing advanced bobbin technology, specialized silicone magnetic steel cores and optimized winding. High-temp epoxy resists shock and vibration while increasing conductivity. Direct plug-in replacements for OEM coils. HEI coils are compatible with both original and computer-controlled HEI ignition systems.

MALLORY HYFIRE DISTRIBUTOR MODULE

Wake up your coil-in-cap type HEI ignition with the Mallory HyFire HEI Module. Designed for 8 cylinder, 4 pin modules, the HyFire delivers a hotter spark over a broader RPM range courtesy of its extended-dwell circuitry. Features:

#51142

- More accurate timing
- Adjustable Rev Limiter: 5,000 to 9,500 RPM
- Higher RPM capability
- Reduces the high-RPM retardation typical in other HEI modules

Note: Not for sale or use in California on pollution-controlled vehicles.

51142	75-80 Distributor Module - Mallory Hyfire	\$221⁹⁹
--------------	---	---------------------------

Mallory ignition components are carefully developed and thoroughly tested to deliver serious power to your ignition system so you get the maximum performance from your Corvette. From HEI upgrade modules to full electronic ignitions and high-powered coils, Mallory Ignition Components boost performance with better timing accuracy, higher output and efficiency and even a boost in RPM. Light your Corvette's fire with Mallory Ignitions.

ECONOMY SPARK PLUG WIRE SETS

With genuine Packard® wiring and stock-like boots, they fit better and are cosmetically closer to original than GM replacements. No date coding on the wires—a small sacrifice for high quality at a low price.

1968-1973 SMALL BLOCK INTAKE MANIFOLDS

ADD POWER AND PROLONG ENGINE LIFE!

A direct replacement for stock manifolds on 1968-1973 Corvettes. Power+Plus Manifolds offer a unique dual-plane, 180-degree design for substantially increased power between idle and 5500 RPM for regular models and 1500 to 6500 RPM for High Performance Models. All models include a square bore carb adaptor plate and gasket for use with Holley or Edelbrock square bore carbs. Valve cover with oil filler required. Not compatible with Holley Spreadbore Carb. Choose from high-polish or satin finishes. Include dual distributor hold downs and four corner water outlets.

41760	68-73	Small Block - Polished	\$274⁹⁹
41761	68-73	Small Block - Satin.....	\$203⁹⁹

TUNE-UP KITS

Get all the components you need to perform a basic tune up and keep your Corvette performing at its best. A typical Tune-Up Kit includes:

- Air Filter
- Oil Filter
- Distributor Cap
- Distributor Rotor
- Ignition Points
- Ignition Condensor
- Spark Plug Wires
- Spark Plugs

HOLLEY CARBURETOR - 4150 670 CFM STREET AVENGER

Street Avenger Carburetors are known to bolt on right out of the box and have great features such as a quick change vacuum secondary for easy fine tuning. Features optimized street calibration that works-out-of-the-box. Factory preset electric choke for easy startups. Vacuum secondaries allow use on a wide variety of vehicles. Quick change vacuum housing cap allows you to tune for performance or fuel economy (springs included). 100% wet-flow tested by Holley technicians to assure it arrives ready to run! Limited lifetime warranty - guaranteed to be free from defects in material and workmanship for the life of the product! **Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

INTAKE MANIFOLD - BIG BLOCK CHEVY- 4150 EFI

These intakes are ideal for converting your big block high performance or racing engine from carburetion to fuel injection. Computer designed and dyno proven to produce more horse power and torque than other EFI manifolds. Includes anodized and laser etched fuel rails and two sets of mounting brackets (brackets allow use of 1.48" or 2.56" O-Ring to O-Ring injector lengths). Open plenum/single plane design. No EGR provisions. 3500-8000 RPM power band. 4150 carburetor mounting flange. Includes fuel rails and mounting brackets. Oval port dimensions: 1.87" high x 1.60" wide. Rectangle port dimensions: 2.28" high x 1.48" wide. Height: front 5.96", rear 5.96". **Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

HOLLEY INTAKE MANIFOLD - SMALL BLOCK CHEVY - CARB SINGLE PLANE KIT

The new single plane Intake Manifold is designed to provide a broad RPM powerband for high-performance street/street engine applications to a maximum engine speed of 7500 Rpm. The carburetor-mounting pad is designed to accept all stock or aftermarket square-bore carburetors with manual or electric chokes. These intake manifolds are designed to accept most stock hardware and accessory brackets, but offer performance features like an updated plenum divider area, a 1" shorter height than the 300-25 manifold and a choice of two distributor clamp locations. The isolated design of the air/fuel passages helps to increase charge air density and performance. **Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

1968-1982 COMPETITION LONG TUBE HEADERS FOR SMALL BLOCK CHEVY

Hooker Competition Headers offer the best value in the high performance header market. Designed for the value-conscious buyer who is running either a stock or mildly-modified engine, Hooker Competition Headers offer premium features at a very competitive price. Made of durable 16 gauge mild steel tubing, the Hooker Competition Header design utilizes a long transition collector to reduce back pressure and increase exhaust flow. A perfect sealing surface is assured with the 5/16" machined flanges, with welded O-ring seals. Experience has proven that this flange size is ideal to maintain header integrity and be pliable enough to seal each exhaust port. Tubing is mandrel-bent to maintain metal strength and provide consistent tube diameter at radii to maximize performance. All hardware included for a complete installation. Primary Tube Size 1.625" x 24" O.D. Collector size 3" O.D., Collector length 8".

1968-1982 SUPER COMPETITION LONG TUBE HEADERS FOR SMALL BLOCK CHEVY

With Hooker Super Competition the objective has always been to make the maximum horsepower and to put it at the optimum point in the power curve. It takes a lot of time and money to do the job right. We will sometimes spend up to 2 to 3 times more just to make the Super Competition Header work only 5 to 10% better. That commitment to excellence has made Hooker Headers the winningest header manufacturer in automotive drag racing history. Tuned-length primary tubes for maximum exhaust scavenging and velocity. 5/16" machined flanges for a perfect seal. Primary tube size 1.75" O.D. x 25". Collector size 3" O.D. Collector length 10".

#57399 Ceramic Coated Silver

1968-1974 SUPER COMPETITION LONG TUBE HEADERS FOR BIG BLOCK CHEVY - 2.125" x 30"

With Hooker Super Competition the objective has always been to make the maximum horsepower and to put it at the optimum point in the power curve. It takes a lot of time and money to do the job right. We will sometimes spend up to 2 to 3 times more just to make the Super Competition Header work only 5 to 10 % better. That commitment to excellence has made Hooker Headers the winningest header Manufacturer in automotive drag racing history. Mandrel-bent tubing for smooth exhaust flow; Primary tube size: 2.125" O.D. x 30", Collector size 3.5" O.D., Collector length 10". All necessary hardware included for a complete installation.

1968-1974 HOOKER HEADER BACK EXHAUST

Hooker Header Back Exhaust System is constructed of 2-1/4" 16-gauge aluminized steel tubing for maximum flow and increased performance. This system uses the original equipment tailpipe exit location. Works with any 2-1/4" offset inlet / center outlet muffler. Features: Reducer Flex-Tubes. Reduces Backpressure. Improves Engine Efficiency. Hardware & instructions included. Note: No Mufflers are included. Use part **#UN0037** (Qty 2) for the Hooker Competition Turbo Mufflers.

57412 68-74 Hooker Header Back Exhaust System **\$228⁹⁹**

1968-1982 HOOKER CLASSIC TURBO MUFFLER

Competition Turbo Mufflers utilized a low back pressure baffle network designed to flow in either direction resulting in better performance and economy. 4-1/4"H x 9-3/4"W x 14"L. Oval shaped double wrapped aluminized steel construction for longer life. Compact muffler design flows either direction, allowing easy installation.

UN0037 68-82 Universal Competition Turbo Muffler - Single 2.22 Offset Inlet, Single 2.25 Center Outlet **\$47⁹⁹**

1968-1982 SIDE EXHAUST SLIP IN MUFFLER

For 4" sidetube sound control, Hooker builds long lasting slip-in mufflers. These mufflers are easily removed for racing purposes and are available in a performance style glass-pack (part **#57414**) or our quieter all metal reverse flow style (part **#52795**).

Hooker mufflers produce a high level of sound control without restricting engine efficiency. Sold in pairs. Fits 4" side tube systems. Big Block reverse flow design. Easily removed for racing.

52795 68-82 Side Exhaust Slip in Muffler for Side Exhaust Headers with 4" Collectors - pr **\$275⁹⁹**

#57480 Super Competition Sidemount Exhaust Kit - Stainless Steel

#57479 Super Comp. Sidemount Exhaust Kit - CC Silver for SBC

1968-1974 SUPER COMPETITION SIDEMOUNT EXHAUST KITS FOR SMALL BLOCK CHEVY

FOR RACING USE ONLY. Super Competition Sidemount Exhaust Kit - includes Headers & Side Tubes: deliver the most aggressive style and performance for your early Corvette. Sidemount Headers are built from lightweight 18 gauge tubing. Sidetubes slip directly to the collector for a leak free seal. Tuned-length primary tubes for maximum exhaust scavenging and velocity. All necessary hardware included for a complete installation. 5/16" machined flanges for a perfect seal. Light weight & sturdy 18 gauge tubing. Requires use of motor mounts that locate the engine in the factory location. Replaceable Hooker & Sweet Thunder mufflers are available separately. Primary tube size 1.875" x 46" & a collector size of 4", collector length 10". Port shape rectangle. 4" tube diameter & exit. Super Competition Sidemount Header slip in side tube. Notes: Not for use on emissions controlled vehicles. All side pipes carry a burn risk when entering or exiting your vehicle. Breaking in an engine with Ceramic Coated Headers will result in damage to the coating and will void all warranties. Ceramic Coated Headers require several heat cycles to fully cure before they will withstand extreme heat.

1968-1982 Side Exhaust Heat Shields

Form and function have never looked so good together. Not only do these stylish shields protect legs from those oh so hot side exhaust tubes, but also make your Vette look good while they do. Every set comes with a pair of shields and a complete installation kit featuring stainless steel hardware and special thermo-tec header wrap to isolate the pipes from clamps and prevent any unsightly scratching. (This wrap can withstand continuous heat up to 2,000 degrees F.) Available in several different designs, all of which are hand polished high quality stainless steel made right here in the USA, and they will fit any side header exhaust system tubes that are between 3.5" and 4" in diameter. Made in the USA! Licensed by GM.

ALUMINIZED EXHAUST SYSTEMS

Our Aluminumized Mufflers & Exhaust Pipes, made of long-lasting aluminumized steel (65% Stainless Steel, 25% Aluminum, 10% Carbon) are the correct size and fit for your Corvette. We also offer complete Exhaust Systems that include header pipe flanges, sleeves, donut gaskets, clamps and mufflers.

1968-1974 DUAL EXHAUST SYSTEMS - ALUMINIZED

1968-73 factory exhaust systems came with the secondary pipe welded to the muffler. Our Exhaust Systems are manufactured this way for originality, and ease of handling and installation. Original 1973-78 mufflers were round, thus visible below the rear valance. We offer your choice of Original Style round mufflers or Low Profile oval mufflers that are not as visible when installed.

#57682 1970-72 N11 Off Road Exhaust with SSP&M - BB 2.5" Automatic

1968-1972 N11 OFF ROAD EXHAUST w/ SSP&M

N11 exhaust systems are back! GM reproduction N11 mufflers paired with full pipe kits will give you all you need to make your Corvette sound as Zora intended. Made to fit exactly like the originals, our exhaust systems are made of long-lasting aluminized steel (65% Stainless Steel, 25% Aluminum and 10% Carbon). System includes Pipes, Inserts, Packing, Clamps, Flanges and N11 Off Road Mufflers. For convenience and ease of installation these systems have a separate secondary pipe and muffler.

#36612 1975-76 Exhaust System with A.I.R. - Low Profile Mufflers

1975-1979 "Y" PIPE EXHAUST SYSTEM

1980-1982 "Y" PIPE EXHAUST SYSTEM

1975-82 Y-PIPE EXHAUST SYSTEMS - ALUMINIZED

Systems include header pipe flanges, sleeves, donut gaskets, clamps, mufflers and a high-efficiency catalytic converter. Original 1975-1978 mufflers were round, and thus visible below the rear valance. We offer your choice of Original Style round mufflers, or Low Profile oval mufflers that are not as visible when installed.

#4906 1968-75 Chrome Luggage Rack - 6 Hole

#4935 1968-75 Stainless Steel Luggage Rack - 6 Hole

*Measurements are approximate and may vary slightly with each unit.
These diagrams are not to be used as exact templates.*

1968-1977 LUGGAGE RACKS

Our luggage racks are available in two models — 1968-75 Corvettes require six holes in rear deck and 1976-77 Corvettes require eight holes. They include hardware and endcaps. **Note:** Because of slight variations in hole placement, please request a diagram of hole placement if you have existing luggage rack holes.

CHROME LUGGAGE RACKS

Chevrolet Dealer supplied option. Highly-polished chrome. Eight-hole rack comes with T-Top Bracket Pins, 6-hole rack does not.

Look for E-ZEE FIT Fiberglass

FLEXIBLE FIBERGLASS COMPONENTS!

Get some flexibility in your fiberglass with E-ZEE FIT **Fiberglass**.
 Special resins used during the curing process make these parts more flexible than original and most replacement fiberglass components.
 They're easier to install and more resistant to minor bumps.

1198	77-82	Twin Turbo Hood.....	\$729⁹⁹

AMERICAN HIGH RISE HOODS

Give your Corvette a distinctive look with the additional 1 1/4" inner clearance of American High Rise Hoods. Eliminates the wiper door on 1968-72 Corvettes.

1202	68-76	American High Rise Hood	\$729⁹⁹
1203	77-82	American High Rise Hood	\$729⁹⁹

Look for E-ZEE FIT Fiberglass

FLEXIBLE FIBERGLASS COMPONENTS!

Get some flexibility in your fiberglass with E-ZEE FIT Fiberglass. Special resins used during the curing process make these parts more flexible than original and most replacement fiberglass components. They're easier to install and more resistant to minor bumps.

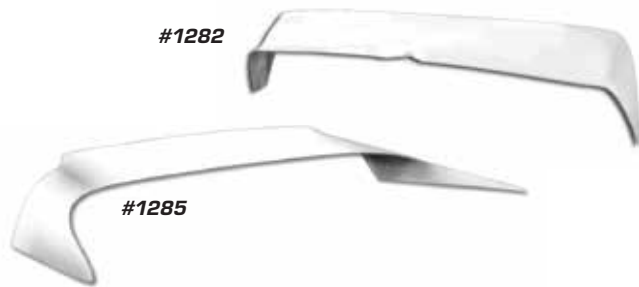

1973-1981 STINGER HOODS

Now your 1973-1981 C3 Corvette can wear the business-like look of the C2's Stinger Hood. Unpainted fiberglass hood.

28552	73-76 Corvette Stinger Hood	\$883⁹⁹
28553	77-81 Corvette Stinger Hood	\$883⁹⁹

- Shipped by truck freight. Additional packaging charges for fiberglass items may be required to ensure safe arrival.

1974-1982 REAR WINGS AND SPOILERS

1281	74-77 Indy Pace Car Rear Spoiler	\$329⁹⁹
1282	78-79 Indy Pace Car Rear Spoiler	\$329⁹⁹
1285	74-82 Turbo Rear Wing	\$599⁹⁹

COLLECTOR SERIES GROUND EFFECTS

Get a customized look without changing your stock body style! Every Collector Series Custom Fiberglass component is precision-designed to fit your Corvette's stock body. Install individually or together as a complete body styling makeover.

HARDTOP STORAGE CART

Safely and easily store your Corvette's hardtop or roof panel when it's not in use. Sturdy aluminum construction and padded contact points offer stable and safe support. Four swivel casters make it easy to move around the garage. Some assembly required. Instructions included. Use with a Hardtop Storage Cover for the ultimate combination of storage, mobility and protection!

AC CONVERSION SYSTEM

This Model-Specific Fully Electronic Perfect Fit Elite kit allows you to Retro-Fit your Corvette to full air-conditioning, easily and professionally. Our Corvette system is engineered specifically to use our Direct Electronic Replacement controls (D.E.R... which gives you a brand new, plug-n-play control that fits right into the OEM location with no modifications! The exclusive ECU allows for infinite adjustability over all modes, providing you with powerful air conditioning, heat on the floor, and dehumidified defrost. Using just basic tools you'll be able to install this kit with a minimum amount of modifications. It's easy to get OEM quality with better than original performance and reliability! All installation kits include detailed, step-by-step instructions and customizing is a breeze. Plus no special tools are required and every system has the best warranty you'll find anywhere.

4007 68-76 AC Conversion System.....**\$1666⁹⁹**

Note: When ordering specify Year, Engine Size, Water Pump Size (Short 5" or Long 7") and Compressor Mounting Location (Driver or Passenger Side).

ELECTRIC HEADLIGHT ACTUATOR KIT

The Electric Actuator Kit eliminates the vacuum-actuated headlight door system (and its related problems) and replaces it with a complete, reliable electric system that works even when the engine is not running.

1969-1976 180-WATT AM/FM STEREOS

These Reproduction Radios provide digital tuning for high quality reception while maintaining the original look and fit. They fit in the dash without modification and the faceplate and knobs match the original.

- 4 x 45 watts RMS output allows up to 180 watts of audio power
- AM or FM 'roll over' dial looks and works like the original
- AM or FM band selected with slide bar like the original
- 10 presets (5 AM, 5 FM)
- Analog controls look and feel like the original radio
- Convactor and/or Multiplexer not needed
- 7/16" shafts on controls for mounting (same size and thread as original shafts)
- LED dial lights never need replacing
- European channel spacing available

DECK LID PROTECTORS

Eliminate Rear Deck Scratches! Prevent your softtop or hardtop from scratching your Corvette's rear deck. Deck Lid Protectors are static cling film (no adhesives needed!), die-cut for your model year! They cover the area where your top comes in contact with your rear deck - keeping it like new.

Leather Steering Wheel

#X2553 1968-82
Leather Steering Wheel

1968-1982 LEATHER STEERING WHEELS

A BEAUTIFUL, CUSTOM-FIT LEATHER STEERING WHEEL AT A GREAT PRICE.

Features genuine black leather finger grip with chromed aluminum spokes and a 14" diameter deep dish. Fits all 68-75 Corvettes and 77-82 Corvettes with tilt/telescopic. Uses stock bolt pattern, factory horn button and mounts directly to the column. No installation kit required. Available in black only. Deep dish design will not interfere with turn signal lever.

X2502 68-82 Leather Steering Wheel - Black/Chrome..... \$92⁹⁹

X2553 68-82 Leather Steering Wheel - Black/Black **\$92⁹⁹**

Note: Steering Column Conv. Kit #20340 is required for '76 Corvettes.

1968-1982 DRIVER LEATHER STEERING WHEEL

A leather steering wheel at a great price. Similar to stock 1980-1982 steering wheels, DRIVER Steering Wheels are made from leather that isn't quite up to perfect restoration standards, making an economical alternative for an everyday driver. Fits all 68-75 Corvettes and 77-82 Corvettes with tilt/telescopic columns.

51025 68-82 DRIVER Black Leather Steering Wheel **\$123⁹⁹**

Note: Steering Column Conv. Kit #20340 is required for '76 Corvettes.

1976 STEERING COLUMN CONVERSION KIT

If you own a 1976 Corvette, this kit gives you more choices for replacing your steering wheel. It includes everything you need to fit 1968-1982 steering wheels to a 1976 column.

1969-1975 REPRODUCTION STEERING WHEEL

36887 69-75 Steering Wheel - Reproduction **\$186⁹⁹**

1977-1982 REPRODUCTION STEERING WHEELS

Steering wheel frames are correctly padded and wrapped with fine interior leather. The result is a beautiful steering wheel guaranteed to be color-matched to your original interior. Fits accurately on 77-82 Corvettes with tilt/telescopic columns only. There is no core charge and no hassle of returning your old steering wheel. Simply attach your 2-digit color code to complete the part number.

COLOR CODES ARE ON PAGE 3.

X239 80-82 Steering Wheel w/ Black Spokes **\$257⁹⁹**

1977-1982 STEERING WHEEL RECOVERING SERVICE

CA's Steering Wheel Recovering Service includes new padding and leather. Customer's core is required for service. No metal spoke refurbishing is done as part of service. Specify leather color when ordering.

90309 77-82 Steering Wheel Recovering Service **\$216⁹⁹**

1982 COLLECTOR EDITION STEERING WHEEL

CA's beautifully crafted wheel is hand-stitched with the correct raised seam instead of the flat seam like the other leather wheels. The three-piece leather wrap is seamed at each spoke just like the original. The spokes are painted the correct bronze color.

PERFORMANCE POWER STEERING CONVERSION KITS

The Conversion Box included in these kits is a remanufactured GM Delphi 600 integral power steering gearbox. The Delphi 600 represents the last generation of integral power steering gearbox technology with true modern power steering feel, feedback and a sporty 12.7:1 ratio. Remanufactured by Borgeson, this box will bolt directly to the factory mounting location and fit the stock pitman arm. The factory column will need to be collapsed approximately 2.5" for clearance of the conversion box.

48562	68-82 Performance Steering Box - 12.7:1 - for cars equipped w/ factory-style PS	\$759⁹⁹

NEW UPPER & LOWER A-ARMS

Complete and Ready To Go! This fully assembled Control Arm Set with Shafts from CA is the easiest way to refresh your front end.

58638 68-82 New Upper & Lower A-Arms with Shafts, Bushings & Ball Joints Pre-Installed **\$1449⁹⁹**

HEAVY DUTY UPPER A-ARMS

Box-tube MIG welded A-Arms are stronger and lighter than stock. Poly bushings allow arms to pivot more freely and with less deflection than stock rubber bushings. Relocated ball joint mounts are designed to allow up to 5° positive caster and a greater camber adjustment range for handling far superior to stock. A-Arms are shipped pre-assembled with offset cross-shafts and poly bushings already installed. Limited lifetime warranty. Upper A-Arms include ball joints.

40584 68-82 Upper A-Arms - Heavy Duty - w/ Ball Joint - pr **\$786⁹⁹**

A-ARM REBUILD SERVICE

A-Arms are disassembled, inspected, refinished and rebuilt with all new bushings, bumper and ball joint. Returned to you ready to install.

25426 68-82 Upper A-Arm Rebuild Service **\$177⁹⁹**
25427 68-82 Lower A-Arm Rebuild Service **\$183⁹⁹**

FRONT WHEEL BEARING REBUILD SERVICE - VAN STEEL

This service includes rebuilding everything from the A-Arm out for both sides: Disassemble & Rebuild with New Bearings, Races, Seals, Gasket and Rotor Machining.

25425 68-82 Front Wheel Bearing Rebuild Service **\$264⁹⁹**

36832	68-74 Big Block - pr.....	\$74⁹⁹

PERFORMANCE FRONT COIL SPRINGS

Upgrade to Performance Coil Springs for less than you would spend on a set of stock springs. They're made from high-grade American Steel and powder coated for great looks, durability and corrosion resistance. The 1968-78 460 lb. Coil Springs (**20394**) are the perfect balance between stock and performance spring rates, making them the best all-around springs available. The 1968-82 Performance Coil Springs (**40608**) improve handling and lower your Corvette approximately 1" while upgrading to F-41 specs.

GAS SHOCKS

Monotube construction, seamless eye rings and cylinder, and unparalleled valving action provide outstanding handling, traction and response. These long-lasting, trouble-free shocks outperform the rest. Covered by a limited lifetime manufacturer's warranty. Use with radial or bias-ply tires. Please Note: KYB Shocks are slightly stiffer than stock shock absorbers. For cars with worn suspension components, they may increase ride height slightly.

(w/ Offset)

POLY ADJUSTABLE STRUT RODS

Designed to help keep rear tires in correct vertical alignment, CA's Adjustable Strut Rods help maintain proper camber throughout your suspension's range of travel to reduce tire wear and improve handling. These rods are stronger than stock and feature polyurethane bushings for long life. Best of all, there are no adjustment cams. Simply lengthen or shorten the strut rods by turning them, then tightening the jam nuts – that's it! Poly Adjustable Strut Rods give you triple the adjustment range of stock camber adjustment rods.

X2464	68-79 Strut Rods - Poly - Adjustable - pr	\$112 ⁹⁹
X2465	80-82 Strut Rods - Poly - Adjustable - pr	\$112 ⁹⁹

POLY SMART STRUT® KITS

Polyurethane Smart Struts eliminate unwanted change in rear wheel camber. With 2 1/2" of wheel travel, the rear camber can change over 2°. The same car equipped with Smart Struts has measured camber change of less than one-tenth of a degree through over 5 1/2" of wheel travel. Smart Struts are guaranteed to improve handling and reduce uneven tire wear. They also reduce hub bearing wear by reducing side loading. Limited lifetime warranty. Poly Smart Strut® Kits include:

- Custom Strut Rod
- Polyurethane Rod End Bushings
- Mounting Bracket
- All Hardware & Instructions
- Camber Adjustment Cams

22186	68-79	Rear End 4:11 - Rebuilt	\$1162⁹⁹
22188	80-82	Rear End 2:72 - Rebuilt	\$1162⁹⁹
22189	80-82	Rear End 2:86 - Rebuilt	\$1162⁹⁹
22190	80-82	Rear End 3:07 - Rebuilt	\$1162⁹⁹
22192	80-82	Rear End 3:55 - Rebuilt	\$1162⁹⁹
22193	80-82	Rear End 3:70 - Rebuilt	\$1162⁹⁹

Note: Each unit requires an exchange of a POSI-TRACTION unit in good, rebuildable, non-damaged condition. All core charges must be paid at time of purchase & will be refunded when the exchange unit is received, examined & determined to be rebuildable. Returned core must be the same ratio as the differential purchased to qualify for full refund.

Detroit Speed Suspension Kits

Detroit Speed's Independent Coilover Suspension Kits give you the control to set up your 1963-82 Corvette with superior handling, improved ride quality, precision steering, greater adjustability and faster spring changes. Kits are available with Non-Adjustable, Single-Adjustable or Two-Way-Adjustable Shock Absorbers.

Detroit Speed SpeedRay Front Suspension Kits

The system features 'Detroit Tuned' quick ratio power rack and pinion steering along with forged in the USA DSE aluminum up-rights. The bolt-on powder-coated cradle assembly improves suspension geometry, provides rigid mounting for the rack and pinion, and includes integrated tie down eyelets. DSE/JRi 'Detroit Tuned' Coilover shocks/springs allow for spring rate tuning and ride height adjustment. It also includes a splined anti-roll bar with aluminum arms, composite bushings, powder coated tubular upper and lower control arms with Delrin bushings, forged offset upper control arm mounting brackets with caster tuner bushings to optimize suspension geometry and provide clearance for Gen V LT4 engines. The kit also includes Torrington bearings and a spanner tool for easy spring height adjustments. The body and engine do not need to be removed for installation of the SpeedRay front suspension. Available as a bolt-in kit.

TOP VIEW

SpeedRay Features:

- TIG-welded tubular upper & lower control arms
- Detroit Speed/JRi aluminum body coilover shocks with "Detroit Tuned" valving - Detroit Speed / JRi Shock upgrades available.
- Coilover Springs
- "Detroit Tuned" power rack & pinion steering
- Integrated splined sway bar with composite bushings
- Forged control arm cross shafts with caster tuner bushing
- Forged aluminum Detroit speed spindles
- Made in the USA

Detroit Speed Suspension Kits

Detroit Speed's Independent Coilover Suspension Kits give you the control to set up your 1963-82 Corvette with superior handling, improved ride quality, precision steering, greater adjustability and faster spring changes. Kits are available with Non-Adjustable, Single-Adjustable or Two-Way-Adjustable Shock Absorbers.

Detroit Speed DECALink™ Rear Suspension Kits

The DECALink Independent Rear Suspension features an exclusive DSE suspension geometry for superior handling and ride quality. The IRS utilizes modern CV axle shafts and hub bearings, keeping suspension loads from being transmitted through the axle shafts. The DECALink Independent Rear Suspension works with an original 17-spline differential assembly with upgrades to 30-spline or a Hammerhead 12-bolt differential. **Note:** Minimal welding is required.

DECALink Features:

- Detroit Speed aluminum uprights forged in the USA
- Detroit Speed/JRi "Detroit Tuned" coilover shocks - (upgrades available)
- Coilover springs
- Rear Sway Bar
- Torrington bearings

1968-1979 FRONT & REAR COILOVER SYSTEM WITH REBOUND ADJUSTABLE SHOCKS

The RideTech CoilOver System for your Corvette includes everything you need to make your vintage classic handle like a new Corvette. The package contains front upper and lower control arms, tall spindles, billet steering arms, inner & outer tie rods, front MuscleBar, rear trailing arms and 4 HQ Series CoilOvers for every corner of your vehicle. The benefit of buying a complete suspension system is that RideTech has removed the guesswork by collecting data to determine the perfect spring rates and components to improve your vehicle's performance and ride quality. Requires part #22377 Stock or part #22376 Upgrade Brake Kit.

22491 68-79 Front & Rear Coilover System
with Rebound Adjustable Shocks..... **\$7011⁹⁹**

SMALL BLOCK FRONT SUSPENSION KIT includes Lightweight Tubular Upper & Lower A-Arms w/ Bushings, 2 Upper Shock Mounting Brackets, 2 QA1 Coilover Shocks, Ball Joints and Spanner Wrenches.

22368 68-82 Front Coilover Kit w/ Upper & Lower A-Arms - SB ... **\$2694⁹⁹**

SMALL BLOCK REAR SUSPENSION KIT includes 2 Offset Trailing Arms w/ Poly Bushings - Powder Coated Black, 2 QA1 Coilover Shocks, 500# Hyperco Coil Springs, 2 Upper Reinforcement Brackets and Spanner Wrenches.

22357 68-82 Rear Coilover Kit w/ Offset Trailing Arm - SB..... **\$1498⁹⁹**

BIG BLOCK FRONT SUSPENSION KIT includes Lightweight Tubular Upper & Lower A-Arms w/ Bushings, 2 Upper Shock Mounting Brackets, 2 QA1 Coilover Shocks, Ball Joints and Spanner Wrenches.

22359 68-82 Front Coilover Kit w/ Upper & Lower A-Arms - BB ... **\$2694⁹⁹**

BIG BLOCK REAR SUSPENSION KIT includes 2 Offset Trailing Arms w/ Poly Bushings - Powder Coated Black, 2 QA1 Coilover Shocks, 600# Hyperco Coil Springs, 2 Upper Reinforcement Brackets and Spanner Wrenches.

22358 68-82 Rear Coilover Kit w/ Offset Trailing Arm - BB **\$1488⁹⁹**

These kits are assembled to order, and are tailored to your engine size and chassis options for greatly improved handling. Other spring, shock, and bushing options are available for track enthusiasts; as well as complete rear arm assemblies with bearings and rotors pre-installed. Call with your specific needs and let us build a kit custom tailored for you!"

Coilover Suspension Kits eliminate the rear monospring and make it possible to gain all the advantages of a coilover suspension. Fine-tune your ride with much more control and versatility. With the turn of a knob you can make your suspension stiffer and more responsive for track days, or more plush and comfortable for daily driving conditions. Personalize your settings to strike your own custom balance of comfort and handling. Since most Corvettes are now equipped with radial tires, the A-Arms are designed with 6° of positive caster for optimum highway stability.

1968-1982 SUSPENSION KITS

**UPGRADING YOUR SUSPENSION IS A SOUND INVESTMENT
THAT YIELDS IMMEDIATE PERFORMANCE BENEFITS!**

CA's Suspension Kits reward you with superior ride and handling from premium quality components. Once you've experienced the smooth performance you'll wonder how you ever got along without it!

TOURING SUSPENSION KITS

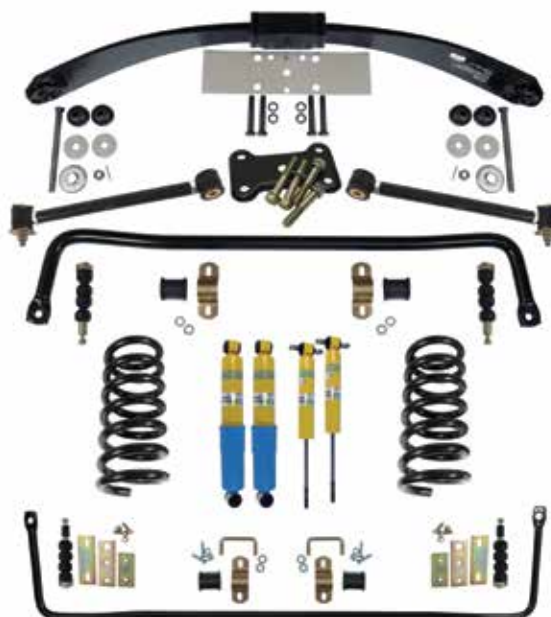

This specially designed package improves both ride and handling. Balanced anti-sway bars assure flat, neutral steering. New springs restore ride height and lifetime gas shocks smooth the ride and give you better control of your Corvette. You also have the option to upgrade the 9-Leaf Steel Spring in the standard touring kit to a 330# Composite Monospring.

Touring Suspension Kit includes:

- 1.125" Front Anti-Sway Bar Kit
- KYB GR-2 Shocks
- .750" Rear Anti-Sway Bar Kit
- 9-Leaf Steel Spring
- 460 lb. Powder Coated Coil Springs
- Leaf Spring Hardware Kit

40681	80-82 Touring Suspension Kit.....	\$858⁹⁹
40683	80-82 Touring Suspension Kit w/ Monospring.....	\$958⁹⁹

Note: All 1968-82 Suspension Kits contain oversized packages and require additional freight charges. Please ask your Sales Representative for details.

PERFORMANCE SUSPENSION KITS

Designed for more aggressive driving, this suspension package is a step above the famous F-41 option. The Composite Monospring rides better than a steel spring, the Bilstein gas shocks dampen better and adjustable strut rods lock down the rear end.

Performance Suspension Kit includes:

- 1.125" Front Anti-Sway Bar Kit
- Bilstein Shocks
- 355 lb. Composite Monospring
- .750" Rear Anti-Sway Bar Kit
- Poly Adjustable Strut Rods
- 550 lb. Powder Coated Coil Springs
- Monospring Hardware Kit

ALL-GLASS T-TOPS

Glass Tops in Smoked Glass or Mirrored Glass are manufactured with L.O.F. glass for twice the breakage resistance of the original. The Smoked Glass Tops feature a smooth black reflective finish. The Silver Mirrored Tops are similar to factory tops supplied in 1978-82. Fits directly on 1978-82 Corvettes. Installation on 1968-77 requires non-permanent adjustments. Instructions included.

4094 78-82 Smoked Glass - also 68-77 - pr **\$1359⁹⁹**

T-Top BAGS - COLORS

CA's T-Top Bags are made from upholstery vinyl like the original bags. It's the same vinyl used for the seat covers and other interior components so they match original interior colors very closely. They also feature a snap button closure like the original bags. Use your interior color code when you order.

COLOR CODES ARE ON PAGE 3.

K1199	70-77	T-Top WS Screw Set - 8 pc	\$6⁹⁹

Note: Early 1977 T-Top Weatherstrips have 19 plastic push-in fasteners. Late 1977 Weatherstrips have 18 of these fasteners. Additionally, the Late 1977 version has a metal reinforcement embedded in the weatherstrip that goes above the door window glass. The Early style does not have this reinforcement. It is flexible around the entire circumference.

1978 Pace Car

1976-1982 ALUMINUM WHEEL SETS

A VISUAL NECESSITY AT A SPECTACULAR PRICE!

Take the so-called "optional" Corvette wheels of 1976-82 and add them to your must-have list! Do it, that is, if you want your Vette to look its very best. These timeless masterpieces have been recreated in each of their three original styles... 1976-79, 1978 Pace and 1980-82. Purchase a set of four wheels and save over individual wheel prices. Center Caps, Emblems and Lug Nuts available separately.

24199	78 Aluminum Wheel - Pace - set of 4.....	\$849⁹⁹
24201	80-82 Aluminum Wheel - set of 4.....	\$789⁹⁹

1976-1982 CHROMED REPRODUCTION WHEELS

CA took the famous reproduction 1976-82 Aluminum Wheels and bathed them in beautiful, high-lustre chrome. The result is one of the most stunning exterior accessories ever created for C3 Corvettes, one that fits just like stock! They install and fit just like original, but look so much richer! Add Lug Nuts and your choice of Center Caps (sold separately) for a stock-like look — only better!

#52606 - 1973-76

1968-1976 CORVETTE SELECTA SPEED WIPER KITS

A downpour of rain will no longer hinder your ability to clearly see the road. This kit provides you with the performance and convenience of a late model wiper system in a package that easily and cleanly mounts in your car. The wiper kit contains a low profile, seven-speed wiper motor with 5 delays, low speed, and high speed, rotary switch, adapter plate, and wiring harness. The CNC aluminum adapter plate mounts the wiper motor to the stock firewall bolt pattern and requires no permanent modifications to the vehicle. The supplied wiring harness uses the factory wiper grommet opening and requires no cutting of the factory harness. This allows owners the option to return their classic Corvette back to its original configuration if desired, leaving no holes or spliced wires behind.

NEW IMPROVED! Easier Installation: The wiper switch and wiring harness plug into a wiper control module located under the dash. The wiper motor connector is already installed on the wiring harness, saving you from having to pin out the wiper motor connector. The wiring harness has also been simplified with new wiper control module design.

Push Button Windshield Washer Function: The seven position rotary wiper switch now features a push button function for a windshield washer option. Once the push button function is released, the wiper blades cycle 3 times just like your current OEM vehicle. The wiper blades then continue to operate at the last switch position. The wiring harness includes a weather pack connector/harness for an inline windshield washer pump.

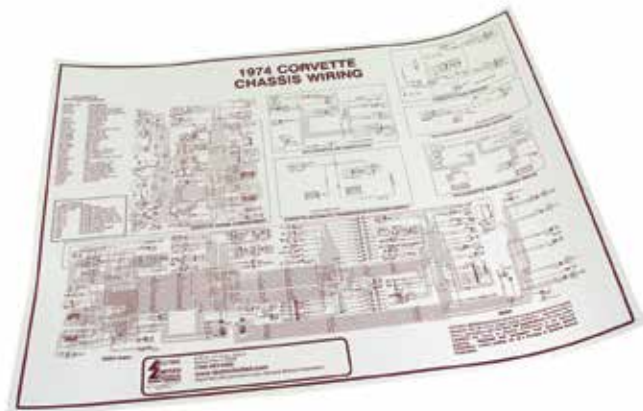

Smaller, Lighter Wiper Motor: Modern OE wiper motor design is more compact for a clean look on the firewall giving additional clearance for your brake booster, valve covers, etc."

ONYX COVER - INDOOR 3 YEAR WARRANTY

The Onyx cover is a black, stretchy, form-fitting cover made of a polyester blend of Lycra/Spandex. The fabric has a satin-like exterior feel with a luxuriously soft underside. Its stretchability results in a sleek, form-fitting look that is easy to slip on. The front and rear hems, mirror pockets and generation-specific pattern are tailored for your Corvette. FREE storage bag included!

Onyx

52263 68-82 Onyx Cover..... **\$154⁹⁹**

PREMIUM FLANNEL COVER - INDOOR 3 YEAR WARRANTY

The Premium Flannel Cover pampers your Corvette in a thick, double-napped layer of superior protection. Premium Flannel is 100% breathable & mildew resistant. Includes non-scratch tie-down grommets & mirror pockets. FREE storage bag included!

4017 68-82 Premium Flannel Cover..... **\$153⁹⁹**

MAXTECH COVER - OUTDOOR / INDOOR 2 YEAR WARRANTY

The MaxTech cover provides strong outdoor protection at a great price, making it our most popular outdoor car cover. Features four layers of protection, front and rear elastic, custom fit mirror pockets and non-scratch tie-down grommets. It blocks out moisture, dirt and pollutants while allowing air to pass through. FREE storage bag, cable and cable lock included!

X21558 68-82 MaxTech Cover **\$92⁹⁹**

SOFTSHIELD COVER - OUTDOOR / INDOOR 2 YEAR WARRANTY

The SoftShield Cover combines the outdoor protection of the MaxTech Cover with the paint-pampering qualities of the Premium Flannel Cover. SoftShield's three outer layers are made of the same UV-treated polypropylene material that makes the MaxTech Cover so durable. The inner fourth layer is made of soft polyester nap that protects your car's finish with a gentle touch. SoftShield repels dirt and pollutants while remaining breathable. SoftShield also features front and rear elastic hems, custom fit mirror pockets and non-scratch tie-down grommets. FREE storage bag, tie-down cable & lock.

23562 68-82 SoftShield Cover **\$143⁹⁹**

THE WALL COVER - OUTDOOR / INDOOR 2 YEAR WARRANTY

Keep your Corvette safe from the elements and free of debris while it's parked outside. The Wall utilizes an advanced three-layer design that stands up feature for feature with pricier covers, but costs less. The Wall Cover is tailored to fit your C3 with an elasticized hem & deep mirror pockets. Includes non-scratch tie-down grommets & mirror pockets. FREE storage bag, cable & lock included!

X2162 68-82 The Wall Cover **\$102⁹⁹**

ECONOTECH COVER - OUTDOOR / INDOOR 1 YEAR WARRANTY

The EconoTech protects your Corvette with a revolutionary single-layer material that remains breathable while it repels water and dirt. With its elasticized hem and mirror pockets, EconoTech is one of the finest, budget-priced covers ever made. Includes FREE storage bag and non-scratch tie-down grommets.

UNIVERSAL CMOS CAMERAS

#57064 — This low-cost aftermarket Complementary Metal Oxide Semiconductor - CMOS - camera is ideal if you're looking to save some money and for a non-OEM solution. It utilizes a unique multi-mount mounting system that allows for horizontal or vertical camera mounting. The image can be flipped during installation to accommodate both mounting positions. This camera features parking gridlines and as an added bonus. These parking lines can be turned off during installation.

#57064

#57065 — This low-cost aftermarket CMOS camera is ideal if you're looking to save some money and for a non-OEM solution. It utilizes a unique snap-in mounting system that requires minimal surface area to attach the camera. This camera features parking gridlines and as an added bonus, these parking lines can be turned off during installation. The camera also features image reversing for forward mounting applications that can be turned on during installation as well.

#57065

#57066 — This low-cost aftermarket CMOS camera is ideal if you're looking to save some money and need a reliable camera. It features two unique mounting options; it can be installed behind the license plate or on a flat vehicle surface with minimal surface area requirements. This camera provides superior night vision thanks to the infrared lights on both sides of the camera. This camera features parking gridlines and as an added bonus, these lines can be turned off during installation. When using parking lines, it is recommended to mount the camera on the centerline of the vehicle.

UNIVERSAL SNAP-IN ADJUSTABLE BULLET CAMERA

This camera is perfect for mounting on flat surfaces where traditional license plate or lip mount cameras would not work. A small hole is all you need to mount this camera onto the vehicle. A fully adjustable camera head allows the driver to swivel the camera into a position that provides the optimum view for their particular vehicle. This camera features parking gridlines and as an added bonus, these parking lines can be turned off during installation. The camera also features image reversing for forward mounting applications that can be turned on during installation as well.

PARKING SYSTEM - SWITCHABLE TO FRONT OR REAR

Avoid common backup accidents!

Brandmotion's Switchable Front or Rear Parking System can be installed on any vehicle - car, SUV or truck. Distance readout is shown on LED display that can be installed conveniently on the vehicle dash, or inverted for headliner or rear vehicle mounting. An audible tone increases in frequency as objects are approached. Sensors mount into the front or rear bumper with integrated rubber isolators to improve performance on steel bumpers. Special angle mounts allow sensors to work on all vehicles types. Sensors have adjustable sensitivity to avoid false triggers due to tow hitches or spare tire carriers. Sensors come in black and can be easily painted.

57042 68-82 Switchable - Front or Rear - 4 Sensor Parking System**\$139⁹⁹**

RADAR BLIND SPOT SYSTEM

This is the one retrofit Radar Blind Spot monitoring and detection system that works like an original equipment-based system. It works closer to the systems found on new vehicles than any other system available. Newly updated and improved from our original system, Brandmotion's radar-based system works with any vehicle with plastic fascias (all bumpers except metal pickup truck bumpers) and offers the only system based on automaker-validated original equipment components, resulting in true OEM-like fit, finish and performance. Brandmotion offers the first aftermarket solution to include cross traffic detection as well as the first system to eliminate 95% of false triggers common in other systems. The system uses CAN data to accurately obtain vehicle speed and is compatible with all vehicle makes and models 2005-current. Includes all necessary mounting hardware including under rear fascia sensor mounting brackets.

LCD DISPLAY MIRRORS

#57072 — This rear view mirror provides the driver with a view from the installed backup camera with its crystal clear 4.3 embedded LCD screen. When you put your vehicle into reverse, the display will automatically turn on. When not in reverse, the screen completely disappears letting you utilize the mirror portion.

#57074 — You probably haven't seen an LCD Display Mirror like this before. This mirror is capable of displaying either a single camera feed on its bright 7.3" LCD screen, or dual camera views in split screen mode on two 3.6" side-by-side screens. Either way, you get a new super-large image capability not seen in a rear view mirror before, or the versatility of two display screens side-by-side. Featuring 3 camera inputs, this mirror allows you to connect not just a reverse-triggered back up camera, but two additional video inputs as well. You can manually activate the additional cameras with the flip of a switch (not included) or by using one of our innovative Curb Alert Park View PRO sensor systems.

UNIVERSAL CENTER ARMREST WIRELESS CHARGING

Seamlessly integrate wireless charging into your vehicle's armrest. Allows phone to be visible and accessible (not intended for use while driving). This kit will fit 90% of vehicles armrests, be sure to check armrest dimensions to make sure it is compatible with product (4.8" x 7.95" x .737"). FreedomCharge uses the wireless charging standard, Qi, to keep your phone charged without the hassle of plugging it in. This is a universal vehicle installation kit that can be cut to fit most any vehicle phone storage tray. The plastic substrate and rubberized phone mat can be cut using household tools - scissors and a utility knife. The system works by using inductive charging technology to allow your smartphone to charge without connecting a charger. No longer will you have to search for your charger and orient it the correct way just to plug in your phone. Add a new level of convenience to your car and keep your eyes on the road instead of fumbling with a tangled mess of cords.

POLICIES

Terms and Conditions: Goods and/or services sold by our company, hereinafter referred to as "Seller", to customer, hereinafter referred to as "Buyer", are expressly subject to these terms and conditions set forth below. Any proposal for different or additional terms and conditions contained in any prior oral or written communication, including, without limitation, are hereby objected to and rejected, but such proposal shall not operate as a rejection of this agreement unless such variances are in the terms of the description, quantity, price or delivery schedule of the goods and/or services but shall be deemed a material alteration thereof, and this agreement shall be deemed accepted by Buyer without said additional or different terms. Buyer's acceptance of shipment or performance and/or payment for the goods or services constitutes acceptance of Seller's terms and conditions. The Seller may, from time to time, change or supplement these terms and conditions.

Payment: We Accept Credit & Debit Cards, Checks and Money Orders. Payment must be received in full prior to shipment.

Prices Subject to Change: All prices and/or discounts are subject to change without prior notice. All prices quoted by Seller will be in effect for a period of thirty (30) days from the date of the written quotation unless otherwise stated. While every effort is made to ensure accuracy, Seller is not responsible for errors or omissions or unforeseen price adjustments in distributed catalogs or our website. Note: Some non-discount, limited discount or pre-discounted items may be excluded from certain promotional pricing and cannot be combined with other offers.

Limited Warranty: Seller makes every effort to list the warranty for each product on the product webpage. Unless otherwise specified, all products are warranted to be free of defects in workmanship and materials under normal use for a period of 30 days from the invoice date.

Limitation of Liability: Seller's liability on any claim for loss or damage arising out of this contract or from the performance or breach thereof or connected with any goods or services supplied hereunder, or the sale, resale, operation or use of goods, whether based on contract, warranty, tort (including negligence) or other grounds shall not exceed the price allocable to such goods or services or part hereof involved in the claim regardless of cause or fault. Seller shall not under any circumstances be liable for any labor charges without its prior written consent. In no event shall Seller be liable for any incidental or consequential damage, including but not limited to, loss of profits or revenue, loss of use of products or associated product, cost of capital, cost of substitute products, facilities or services, downtime costs, or claims of customers of Buyer for such damage.

Shipping Damage, Lost or Missing

Merchandise: Unless otherwise noted, all sales of goods are made F.O.B. point of shipment and, in all cases, title and risk of loss or damage shall pass upon Buyer with delivery to the carrier at point of shipment. Seller reserves the right of carrier selection. Delivery dates given in advance of actual shipment of goods or performance of services are estimates and shall not be deemed to represent fixed or guaranteed delivery dates. Buyer is required to examine all shipments upon arrival to ascertain condition. If any shortages or damages occurred in transit, please contact Seller within 5 days of receipt for instructions on how to proceed. Failing to do this could jeopardize the refund or replacement of the damaged or missing items. Please save the original box and packaging materials for inspection by the carrier. Damage/loss claims cannot be filed after 15 days from the date of receipt of the package. Items shipped via truck must be opened and inspected while the driver is still on the premises, and damage noted if there is any.

Refused Shipments: If a shipment is refused, customer will be charged for shipping and handling plus a restocking charge of 15% of the product value.

Returns: You may return products other than Special Orders, if returned in unused, original condition in original packaging. There is no need to call for authorization. Complete the Return Form enclosed with your shipment and send the package back to us. It is recommended that you insure the package and retain your receipt of shipment. No COD returns will be accepted. Qualified returns will be refunded in the same method they were paid (i.e. credit card refund or refund check). There will be a full refund on returns up to 30 days from invoice date. Qualified returns older than 30 days but less than 90 days, will be assessed a 25% restocking fee. Special orders, custom products, electrical products, tools, books, videos, CD's/ DVD's, exhaust products after installation, returns of partial sets/kits or returns more than 90 days old will not be accepted. Any unauthorized returns will be mailed back to customer at customer's expense.

Core Return Policy: Our rebuilders are not able to accept core returns on items once they have been modified in any manner. In order to receive full core credit, core returned must be from a vehicle that is the same year, application and options as the item ordered. Core must be complete, in rebuildable condition and drained of all fluids to receive full credit. Cores are to be shipped to Seller pre-paid by the customer. Core verification takes approximately 3-4 weeks. If you have any questions, please contact our Customer Service Department prior to returning.

Force Majeure: Seller shall not be liable for failure to deliver or for delay in delivery or performance due to (i) a cause beyond its reasonable control, (ii) an act of God, act or omission of Buyer, act of civil or military authority, governmental priority or other allocation or control, fire strike or other labor difficulty, riot or other civil disturbance, insolvency or other inability to perform by the manufacturer, delay in transportation, or (iii) any other commercial impracticability. If such a delay occurs, delivery or performance shall be extended for a period equal to the time lost by reason of delay.

Indemnification: Buyer hereby (1) waives, releases and discharges any and all claims with the exception of claims for breach of this sales contract of every kind, including, but not limited, to injury or death of any person or damage to property, which it may have at any time against Seller, its agents or employees, by reason of or arising out of any condition of or defect in the goods and (2) covenants to indemnify and hold harmless Seller, its agents and employees from and against any and all loss, damage, expense, claims, suits, costs of defense, including attorney's fees which Seller or any or its agents or employees may sustain or incur at any time for or by reason of any injury to or death of any person or persons or damage to any property arising out of any condition of or defect in the goods or any claimed

inadequate or insufficient safeguards of safety devices or warnings.

Governing Law: This Agreement shall be governed by and construed according to the laws of the State of Pennsylvania.

Entire Agreement: This Agreement sets forth the entire agreement and understanding of the parties relating to the subject matter herein and supercedes any prior discussions or agreements between them. No modification of or amendment to this Agreement, nor any waiver of any rights under this Agreement, shall be effective unless in writing, duly executed by both parties.

Severability: If any provision of this Agreement is held to be invalid by a

court of competent jurisdiction, then the remaining provisions shall nevertheless remain in full force and effect.

Assignment: Buyer shall not assign or delegate any or all of its duties or rights hereunder without Seller's prior written consent. Any assignment or delegation made without Seller's consent shall be null and void.

Headings: Headings used in this Agreement are provided for convenience only and shall not be used to construe meaning or intent.

About California Proposition 65

California's Proposition 65 entitles California consumers to special warnings for products that contain chemicals known to the state of California to cause cancer and

birth defects or other reproductive harm if those products expose consumers to such chemicals above certain threshold levels. We care about our customers' safety and hope that the information below helps with your buying decisions.

We are providing the following warning for products linked to this page:

WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

Motor Vehicles

California requires the following notice:

WARNING: Motor vehicles contain fuel, oils and fluids, battery posts, terminals and related accessories which contain lead

and lead compounds and other chemicals known to the State of California to cause cancer, birth defects and other reproductive harm. These chemicals are found in vehicles, vehicle parts and accessories, both new and as replacements. When being serviced, these vehicles generate used oil, waste fluids, grease, fumes and particulates, all known to the State of California to cause cancer, birth defects, and reproductive harm.

Tools

California requires the following notice:

WARNING: Some dust and particles created by power and hand tools from cutting, sanding, sawing, grinding, drilling and other activities contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

Your risk from exposure to these chemicals varies, depending on how often you do this type of work. To reduce your exposure, work in a well-ventilated area and with approved safety equipment, such as dust masks that are specially designed to filter out microscopic particles.
