## BYPASS MODELS

The Rotolo Lux bypass rolling door is a semi-frameless enclosure that offers the best mix of ultramodern looks and performance. The Quiet Capture guide and bumper system create a quiet, luxurious feel.

- Standard width ranges fit openings from 44" to 60"
- Three standard height options of 65½", 70" & 76"

### ROTOLO LUX 1/4" SEMI-FRAMELESS GLASS 5550 Shower

- Modern header with visible top rollers enables easy installation and adjustment
- Includes one through-the-glass exterior towel bar and one through-the-glass knob

### ROTOLO LUX 1/4" SEMI-FRAMELESS GLASS

#### 5450 Tub

Rotolo Lux bypass tub enclosures offer the same minimalistic design elements as the shower, creating a superior frameless look for your modern bath.

- Quiet Capture system - guide and bumpers
- Four standard width ranges fit openings from 44" - 60"
- Three standard height options of 56", 57" & 65½"

### ROTOLO 1/4" SEMI-FRAMELESS GLASS

#### 5500 Shower

The Rotolo bypass rolling door is a semi-frameless enclosure that offers the perfect combination of contemporary looks and functionality with an innovative bypass design.

- Four standard width ranges fit openings from 44" - 60"
- Three standard height options of 65½", 70" & 76"

### ROTOLO 1/4" SEMI-FRAMELESS GLASS

#### 5400 Tub

Offering the same rolling door stylings as the Rotolo shower, the tub sets any modern bathroom apart.

- Four standard width ranges fit openings from 44" - 60"
- Three standard height options of 56", 57" & 65½"

## BYPASS MODELS

Basco Infinity bypass shower enclosures are distinguished by their curved design elements that reflect modern bath styles.

- Standard width ranges fit openings from 36" to 58½"
- Three standard height options of 65½", 70" & 76"

### INFINITY

1/4" SEMI-FRAMELESS GLASS  
4500 Shower

- Rounded modern header
- Features dual through-the-glass rounded towel bars

### INFINITY

1/4" SEMI-FRAMELESS GLASS

4400 Tub

# GLASS OPTIONS & AQUAGLIDE

## MAKE ORDINARY GLASS EXTRAORDINARY

### PROTECT YOUR INVESTMENT

Available in any Basco glass, AquaGlide<sup>XP</sup> is a revolutionary ultra-protective coating that bonds to the glass and keeps it in pristine condition backed by a 10-year warranty when factory applied.

- Low maintenance – Requires less cleaning than untreated glass
- Effective water repellent at an affordable price point
- Minimizes mildew, soap scum and hard water build up
- Can be applied on any glass thickness or style
- Recommended periodic squeegee use and maintenance cleaner for best results

To ensure long-lasting beauty and warranty protection, Basco strongly recommends the AquaGlide<sup>XP</sup> Maintenance Wash. Please ask your sales associate for details.

KEEP YOUR DOOR LOOKING BEAUTIFUL FOR YEARS TO COME

MAINTAIN BEAUTY WITH AQUAGLIDE<sup>XP</sup> HOME KIT

If you did not have the opportunity to purchase the factory-applied AquaGlide<sup>XP</sup> protection, consider the Shower & Bath Protection Home Kit. The easy step-by-step process will increase the luster of the glass while reducing spotting, soap scum and mineral deposits.

MAINTAIN AQUAGLIDE<sup>XP</sup> SPRAY CLEANER

Regardless if you had AquaGlass<sup>XP</sup> applied at the factory, or opted to use the at home kit, this spray cleaner will enhance the durability and performance of the protection when used for deeper cleaning.

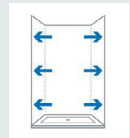

- 16oz bottle
- Use the maintain spray cleaner every one to two weeks in addition to the daily wiping of your glass door
- Keeps treated doors looking spot free and like new
