Online Shower Door Configurator

Mystro – Mystro is Basco's online configurator designed to simplify the Basco shower door buying experience for professionals within our network.

- **Assisted Selling by Model** - Web based quoting and product selection with a "find my model number" functionality enables showroom professionals to answer customer questions immediately.
- **Visual Door Drawing** - Access to Basco's production configurator provides your customer with a unique rendering of their specific selections.
- **Dynamic Pricing** - Confidently quote based on model and your customer's configuration selections.
- **Save and Store** - Retain quotes, customer information and showroom part numbers for recurring or ad hoc use. Open text fields enable customization and quote specifics.
- **Faster, More Accurate** - "One-click" quote submission to Basco orders and receive supplemental door drawings and more professional quotes for your customers.
