

the INFINITY BIFOLD

Introducing the new Bifold 1433

Meet The All New BIFOLD 1433

Our revised Bifold offers a smooth folding mechanism with less framing than ever before for a stylish and elevated look. When space is at a premium, but beauty is still important, the Infinity bifold enclosure proves that less is more.

The quarter-inch thick glass features polished edges for a beautiful balance of elegance and performance.

Bifold (1433) accordion style folding door featuring semi-frameless Clear (CL) glass with Chrome (CH) finish.
