 - Silk
 - AquaGlideXP Clear
- Wall Mount Pivot Hinges are available with all RODA glass options.
- Special angles are excluded.
- Eliminates need for header or support bar in most applications.

*Dresden Door & Panel/Return Panel (DREN-950)
featuring Clear Glass with Silver Finish
and with an extra inline panel*

RODA BY BASCO

BECAUSE THE SHOWER IS EVERYTHING

Hinge Options

All RODA shower enclosures are crafted for maximum performance, functionality and safety. The design of each of our luxury collections allows you to select the look that best suites your taste while ensuring the utmost stability for your shower enclosures. Our newest pivot options require no header and position the hinges at the top and bottom of the glass (instead of vertically down the glass) providing the most frameless look possible.
