

BJ Services Names New Chief Financial Officer

TOMBALL – November 29, 2017 – BJ Services (the “Company”) announced today that Kelly Youngblood will join the Company as Executive Vice President and Chief Financial Officer.

Mr. Youngblood joins the Company with 29 years of experience, having most recently served as the Senior Vice President and Chief Financial Officer of Diamond Offshore. Prior to his time with Diamond Offshore, Mr. Youngblood held a variety of executive and leadership positions with Halliburton.

"We are excited to have Kelly join our leadership team. I am confident that he will make a significant contribution to BJ Services through his leadership of our finance and accounting organization," stated Warren Zemplak, BJ Services' President and Chief Executive Officer.

About BJ Services

Headquartered in Tomball, Texas, BJ Services is the largest North American-focused, pure-play pressure pumping services provider. BJ Services provides hydraulic fracturing and cementing services to leading upstream oil and gas companies engaged in the exploration and production of North American oil and natural gas resources. We operate field locations serving all major North American oil and natural gas shale basins. Visit: www.bjservices.com.
