

Website Privacy Policy

BJ Services, LLC and its subsidiaries (“BJ”) are committed to protecting the privacy of your information and personal data collected during your visit to this website. In this Website Privacy Policy (“Policy”), BJ provides information about how we collect, use and transfer personally identifiable data from you, a website visitor, through www.bjservices.com (the “Website”).

Scope

This Policy covers only data collected through the Website and not any other data collection or processing, including, without limitation, data collection practices of other web pages to which we link or data that we or our affiliates collect offline or through websites that do not display a direct link to this Policy. From time to time, we may refer to this Policy in notices or consent requests related to surveys and special-purpose web pages, or we may modify this Policy by written exceptions or notices.

Acceptance and Consent

PLEASE READ THIS POLICY CAREFULLY TO UNDERSTAND OUR POLICIES AND PRACTICES REGARDING YOUR INFORMATION AND HOW WE WILL TREAT IT. BY ACCESSING OR USING THIS WEBSITE, YOU AGREE TO THIS PRIVACY POLICY. IF YOU DO NOT AGREE WITH OUR POLICIES AND PRACTICES, YOU MUST NOT USE OUR WEBSITE. THIS POLICY MAY CHANGE FROM TIME TO TIME. YOUR CONTINUED USE OF THIS WEBSITE AFTER WE MAKE CHANGES IS DEEMED TO BE ACCEPTANCE OF THOSE CHANGES, SO PLEASE CHECK THIS PRIVACY POLICY PERIODICALLY FOR UPDATES.

TO THE FULLEST EXTENT ALLOWED BY APPLICABLE LAW, YOU IRREVOCABLY CONSENT TO ANY AND ALL DATA COLLECTION BY THIS WEBSITE AS EXPRESSLY DESCRIBED IN THIS PRIVACY POLICY. FURTHERMORE, TO THE FULLEST EXTENT ALLOWED BY APPLICABLE LAW, YOU ALSO HEREBY IRREVOCABLY CONSENT THAT SUCH DATA COLLECTION MAY RESULT IN PROCESSING AND/OR TRANSFERRING YOUR DATA TO BJ’S SUBSIDIARIES AND AFFILIATES OR THIRD PARTIES.

Types of Data and Collection Methods

Through the Website, we receive data that you actively submit as well as data that we track:

Actively Submitted Data: When you request information, respond to an online survey or otherwise actively send us data, we usually collect data such as your name, email

address, mailing address, telephone number(s), and certain information related to the business you represent. In each such instance, you will know what data we collect through the Website, because you actively submit it.

Passively Tracked Data: When you visit the Website, we also passively track information on your computer and Internet connection, such as the IP address of your computer and/or Internet service provider, the date and time you access our websites, the Internet address of websites from which you link to our Website, the computer technology you are using and your movements and preferences on our Website. We use technology that many other websites employ, including, without limitation, web beacons, “cookies” (flash or browser based) or small data files stored on your computer’s hard drive, to collect such information. In some instances, we also use cookies to collect information in connection with future visits from the Website, to recognize you as a previous visitor and to track your activity on the Website. You can refuse cookies by turning them off on your browser. BJ does not respond to Do Not Track signals.

Combinations: Unless you also actively submit personal information such as your name or address, passively tracked data does not typically allow us to identify you personally (even though it can theoretically be done, we do not have the means or an interest to find out who you are, unless you identify yourself voluntarily through an active submission of data). To the extent permitted by applicable law, we reserve the right to combine passively tracked data with personal data that you actively submit.

Collection Purposes, Use of Data

We collect passively tracked data primarily for purposes of administering, protecting and improving our Website and our systems, to better understand the preferences of our Website visitors, to identify server problems, to compile aggregated statistics about Website usage, and to help personalize your experience of our Website.

We collect actively submitted data primarily for two purposes: first, for the purpose for which you originally sent us the data (e.g., to mail information to you); and second, for purposes of informing you about products and services. You can opt out of receiving marketing emails as explained below.

Disclosures of Personal Information

We do not sell or rent your information to telemarketers and do not share your personally identifiable information with others, except that we freely share your information with our affiliates. We may also share your information with agents and service providers who use the data only on our behalf and for our purposes under

confidentiality agreements. We may share your information as required by law or in the interest of protecting or exercising our or others' legal rights, e.g., without limitation, in connection with requests from law enforcement officials and in connection with court proceedings. We may share or transfer your information in connection with a prospective or actual sale, merger, transfer or other reorganization of all or parts of our business. Also, we reserve the right to fully use and disclose any information collected via the Website that is not in personally identifiable form.

Opt-Out

In connection with promotions or other projects, we may ask you specifically whether you have objections against a certain kind of data use or sharing. If you opt-out under such circumstances, we will respect your decision. To opt-out of receiving further commercial emails or to unsubscribe from services, please click the unsubscribe link contained in the commercial email or contact us. Please note that other data recipients have their own data privacy policies, which may differ from ours and you must contact them separately with respect to opt-out requests.

Access

If personal information you have submitted through the Website is no longer accurate, current, or complete, and you wish to update it, please contact us. Upon request we will update or amend your information, but we reserve the right to use information obtained previously to verify your identity or take other actions that we believe are appropriate.

Security

Transmissions over the Internet are never 100% secure or error-free. However, we take reasonable steps to protect your personal information from loss, misuse, and unauthorized access, disclosure, alteration, and destruction. It is your responsibility to safeguard any information you use to access the Website and to notify us if you ever suspect that such information has been compromised. You are solely responsible for any unauthorized use of the Website.

SPECIAL NOTICE - Children's Privacy

Our Website is not intended for children. We do not intentionally or knowingly collect personally-identifiable information from children under the age of 13 and we request that individuals under the age of 13 not submit any personal information on the Website.

Amendments

We reserve the right to change this Policy from time to time and in our sole discretion. We reserve the right to change, modify, add or remove portions of this Policy at any time, but will alert you that changes have been made by indicating on the Policy the date it was last updated. When you visit the Website, you are accepting the current version of this Policy as posted on the Website at that time. We recommend that users revisit this Policy on occasion to learn of any changes.
