Animal Care and Management

Your projects require regular care and management. Explain and list the things necessary to take care of your project animal(s).

Include the following:

- Feeding and watering practices
- Grooming (clipping, trimming, foot care, etc...)
- Health practices and medicines
- General Management (cleaning living area and feed pans, halter breaking, obedience training, etc...)

Daily- Things done every day
Weekly- Things done once a week
Monthly- Things done once a month
Yearly- Things done one time or occasionally throughout the year
