My Goals for myself this year are _____

Value of my Horse ~ Beginning of the Project Year

(To be filled out in September)

I paid \$_____ for my horse in _____ (year).

(The above line is optional. If you consider this information private, do not answer. No points will be deducted from your score. The rest of this page is required.)

At the beginning of this project year, I am setting the value of my horse at

\$_____. I think my horse is now worth more than, less than or the same as

(circle one) I paid for him/her because _____

Value of my Horse ~ Ending of the Project Year

(To be filled out in August, just before the Fair)

At the close of this project, I am setting the value of my horse at \$_____.

This is the same or different (circle one) then \$_____, the value of my horse at the beginning of the project year. I feel that the value of my horse has stayed the same, increased or decreased (circle one) for these reasons:

(Reasons for value change may be age, health, training, market prices, show records, or any other justifiable reasons.)

Beginning Project Inventory

Date project started: _____

(List equipment owned/used at the start of this project.)

[illegible]

(This section is for the value of items owned by the 4-H member. List, but do not add in, the cost or value of items owned by someone else.)

Ending Project Inventory

Date project closed: _____

(write down anything new you bought this year for your project; tack, clothes, equipment, etc.)

Depreciation is the cost of wear and tear on your tack and equipment. This is an expense that needs to be listed as the first item on this page. Use this formula to figure it out:

Beginning Project Inventory (from previous page): \$_____ X 10% = \$_____

The answer you get goes on the first line of the table on this page.
