## **Expanded Food and Nutrition Education Program**

## **Helping Families Eat Better for Less**

## **What our participants say:**

“I understand better how to read a nutrition facts label now.”

“I enjoy preparing some of the healthy recipes that we learned to make during the classes.”

“I eat fewer processed foods as a result of taking nutrition classes .”

“One result of making these changes is that my blood pressure has improved.”

The Cornell Cooperative Extension educational system enables people to improve their lives and communities through partnerships that put experience and research knowledge to work.

# EFNEP is a Cooperative Extension Nutrition Education Program

The program assists low income families and youth improve health.

The program teaches ways to:

- Eat more fruits and vegetables.
- Drink fewer sweetened beverages.
- Maintain a healthy weight.
