

SUPPORT KNOWLEDGE

We are looking for Sponsorships for a Livestock Skill-a-Thon to be held on February 20th at the Career and Technical Center at Belmont. This skill-a-thon is open to 4-H and FFA members of surrounding counties and chapters. It is an important opportunity for students to gain and test their knowledge as they are just starting to gear up for the 2016 show season.

WHY ARE WE ASKING?

The money received in sponsorship for this event will cover costs such as contest supplies, materials for educational breakout sessions, awards and food.

BUT YOUR BUSINESS BENEFITS TOO!

All of the participants will receive a t-shirt on which your farm or company name will be listed on the back. Other promotional materials will be accepted to be handed out to participants. This is a great way to reach your target markets and encourage them to look your way as they grow and develop their own market projects.
