

JANUARY

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
27 There is unusually warm weather this year. It is caused by a weather pattern called El Niño.	28	29	30 Clean feathers help keep birds warm. Put out bird baths to help them out!	31	01	02
03	04 Quadrantid Meteor shower most visible	05	06	07	08	09
10	11	12	13	14	15	16
17	18	19	20	21	22	23 Come out to the 4-H acres 1-3p.m. and take a winter tree identification walk.
24	25	26	27	28	29	30
31	01 Fill your birdfeeders! January-March is the hardest time for birds.	02	03 Take a look at a snowflake up close. Hold out a sheet of black paper while it's snowing to get a good look. Are they symmetrical?	04 There are several different types of snowflake shapes. The shape is determined by the temperature. What kind can you find right now?	05 Old Christmas trees give good cover for birds.	06 

Nature Journal Calendar

See what's happening in month of January, then take notes about what's happening in your backyard or about what you're doing here in this calendar!
