DAISY — Join CCE Horticulture staff for a tour of our gardens. Learn about organic gardening and how composting helps to reduce trash and improve our environment. Each participant will plant flowers that attract beneficial insects and butterflies to take home.

Monday, April 18, 5:30-7:00 pm

Cost is \$7 per scout. Program works toward the requirements for *Rosie's Story, A Better Place for Everyone*.

BROWNIE — NATURALIST — During this program, Brownies will discover the wonderful world of bugs! This class includes a bug hunt through our gardens, butterfly craft activity and painted lady caterpillar for each participant to take home!

Monday, June 6, 5:30-7:00 pm

Cost is \$10 per scout. Program works toward the requirements for Brownie Bugs Badge.

JUNIOR — FLOWERS - During this program, Scouts will have the opportunity to learn about the science of flowers. We will tour our flower gardens, participate in a fun science experiment and plant flower seeds to take home.

Monday, May 9, 5:30-7:00 pm

Cost is \$7 per scout. Program works toward the requirements for the Junior Flowers Badge.

JUNIOR — GARDENER — Scouts will join us for a tour of our organic gardens and learn about the basics of garden design. Participants will design their own garden plan and plant seeds to take home.

Friday, June 3, 5:00-6:30 pm

Cost is \$10 per scout. Program works toward the requirements for the Junior Gardener Badge.

CADETTE — TREES - Program participants will learn the parts that make up a tree, how to identify and measure some common trees in our area, discover what food and other products come from trees, and make a delicious snack.

September 26, 5:00-6:30 pm

Cost is \$7 per scout. Program works toward the requirements for Cadette Trees Badge.
