

# Fruit Preservation 101

Wednesday, Feb 24  
10:00 am - 12:00pm

Brewerton Fire Hall  
9625 Brewerton Rd,  
Brewerton, NY 13029

*No prior knowledge of food preservation needed!*

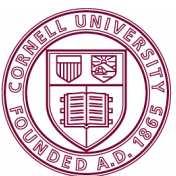

CCE Educators will teach you how to preserve our local and regional bounty of fruit.

- Gain hands-on experience with:
- hot water bath canning
  - freezing a high quality product
  - dehydration for longer storage

**Space is limited, and pre-registration is required.**

To register call 315-424-9485 ext 233 or email [JEL264@cornell.edu](mailto:JEL264@cornell.edu)

Attendance is free and participants will take home samples.

**Cornell University**  
Cooperative Extension  
Onondaga County

Funding provided by the National Institute of Food & Agriculture, USDA Award #2014-68004-22166
