

Fruit Preservation 101

Wednesday, Feb 24
10:00 am - 12:00pm

Brewerton Fire Hall
9625 Brewerton Rd,
Brewerton, NY 13029

No prior knowledge of food preservation needed!

CCE Educators will teach you the basics of how to preserve our local and regional bounty of fruit.

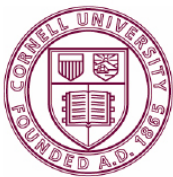

Gain hands-on experience with:

- hot water bath canning
- freezing a high quality product
- dehydration for longer storage

Space is limited, and pre-registration is required.

To register call 315-424-9485 ext 233 or email JEL264@cornell.edu

Attendance is free and participants will take home samples.
