

# 4-H Adult Volunteer

There are many different roles adult volunteers can play. For example:

**Organizational Leader-** an advisor and coordinator to a group of 4-H members, helping them organize and maintain their club.

**Assistant Leader-** Assists the organizational leader with the club.

**Activity Leader-** Works with both youth and adults in planning events and other activities, locally and district wide.

**Program/ Advisory Committee Member-** Provides direction for youth programming in the county.

Adult volunteers are given an orientation and are given ongoing guidance with professional 4-H staff. Volunteers are notified about activities coming up through our monthly newsletter, Key Notes. Also the Cornell Cooperative Extension Office is your resource for project materials. Adult volunteers make 4-H work in Washington County.
