Leadership & Volunteer Opportunities for Teens
Brought to you by the Putnam County 4-H Youth Development Program

4-H Teen Action Group (TAG) {On-Going; bi-weekly meetings} is a group of youth & teens (ages 11-19) from throughout Putnam County who meet every other week. The meetings generally focus on leadership & team building activities, public speaking skills and career exploration. Guest speakers are also invited several times a year. Every year, the group takes part in a variety community service projects & field trips (such as to NBC Studios in NYC). Members of TAG have first preference to sign-up for regional and statewide Leadership Retreats and events (over).

The 4-H Puppeteer Players {On-going; bi-weekly rehearsals, monthly performances} are a group of local teens (ages 11 - 19) that are trained to work with professional Muppet style puppets. The group performs shows monthly for young children throughout Putnam County. The 4-H Puppeteer Players write scripts that teach a positive message to their younger audiences. Some issues they focus on are making new friends, bullying & being afraid of the dark. While this program benefits the audience of their shows, the members also gain a sense of mastery and accomplishment while learning theater and stage management skills.

4-H Media Productions {On-going; meet as needed based on current projects} provides Putnam youth (ages 12-19) with an opportunity to learn how to use professional digital-video and computer editing equipment, including working with Comcast’s equipment. Members also learn theater production and interpersonal skills while producing, directing and editing a variety of short educational or promotional videos for community agencies & events.

The Putnam County Youth Forum {January through April; bi-weekly meetings}:
The event: is daylong event organized by & designed for Putnam County High School students. This event is co-sponsored by the Putnam County Youth Bureau and Cornell Cooperative Extension of Putnam County’s 4-H Youth Development program, with support from all of the area High Schools. During the Forum, students attend various self-selected workshops facilitated by professionals. Workshops focus on issues such as Road Rage, How to Survive your First Year of College, Teen Addictions, Dealing with Stress & Time Management. The Planning Committee: contribute an active youth voice by helping to plan, organize, implement & evaluate the Youth Forum. The students who serve on the Planning Committee help identify both the topics of the workshops as well as the facilitators. The committee is made up of approximately 15 to 20 students from all Putnam area high schools and meets bi-weekly.

The Putnam County 4-H Fair {Annually; last full weekend of July} is a 3-day country style fair that includes a variety of educational activities and crafts, live entertainment, animal, horse and pet shows. Volunteers, ages 12+, are needed during the fair to sell refreshments (cotton candy, popcorn, hotdogs, ice cream), run games, help with arts & crafts, do face painting and assist with parking. Open to any youth ages 12+.
