Guest Facilitators

Dr. Betsy Lamb

NYS Integrated Pest Management Program

Brian Eshenaur

NYS Integrated Pest Management Program

Paul Shealer

Retired Penn State Cooperative Extension Christmas Tree Specialist and Owner Evergreen Acres, Auburn, PA

Learn and enhance hands-on insect/disease scouting and monitoring techniques. Betsy and Brian will focus on current effective and economical methods of managing pests. Paul Shealer retired Penn State Christmas Tree Specialist and owner of Evergreen Acres Christmas Tree Farm in northeast PA will demonstrate pruning and shearing techniques for all Christmas tree types.

Growers are welcome to bring along their own weed samples or pictures for identification and management recommendations.
