Applying for a Job (External Candidate)

Cornell Cooperative Extension is excited that you are considering an opportunity with our organization. We strive to ensure that all applicants are provided with the necessary resources to best position themselves for success in the hiring process. The purpose of the guide below is to offer guidance on how to navigate through the application process as well as to answer some common questions that you may have.

We wish you the best of luck in your career aspirations and hope that you find success at Cornell Cooperative Extension.

Creating a Candidate Account

The Candidate Account will allow you to apply for jobs, see all submitted applications and your status for those jobs, and view similar jobs to ones you have already applied for.

To create a Candidate Account:
1) Go to the Cornell Cooperative Extension External Career Site at https://cornell.wd1.myworkdayjobs.com/CCECareerPage
2) Click Sign In then Create Account.
3) Add your preferred e-mail address.
4) Enter and verify your password.

When applying for your first position you will enter your personal information such as name, address, phone number, experience and degree. This information will be saved by the system and will pre-populate when you apply to other jobs after your account and information is entered the first time as long as you are signed into your account prior to applying.

Note: You will still need to attach any documentation you want to include for *EACH* specific posting, as well as complete Questionnaires and the Self-Identification questions. This information is not saved or transferred to new applications.

Note: If you experience issues with the system please try using an alternate browser. There may be issues with using Chrome vs. Internet Explorer, for example.
Applying for a Job

2. Log in by clicking Sign In at the top right if not already logged into the candidate system.

3. Scroll through the available positions or use the filter options (Job Category, Locations, Job Type, and Full/Part-time) on the left to narrow the list to certain specific criteria.

4. Click on the Job Title to view the Job Description and Job Details.

The resulting screen will show all the jobs you have applied for and the status of your application within each. Click the title of the position to see the details of the job.

Common Questions Related to the Application Process:

▪ What do I do if I need to add or change my application after it has been submitted? You cannot make changes to your application or attachments once submitted. Please direct questions or changes to the “Contact Name” listed in the job posting.

▪ Can I update my experience and provide different attachments for different position(s)? Yes, each application you supply is unique to the position.

▪ Do I need to fill in my experience AND attach my resume? It seems redundant? It is your choice, however, it is recommended that you supply both. The job posting should indicate if attaching a resume and/or cover letter would be required. If data is missing, Recruiters, Search Committee Members, Hiring Managers and Interviewers could skim over your application during the screening process.

▪ Who can I contact if I am having problems or have questions about my online application? First please try using an alternate browser. There may be issues with using Chrome vs. Internet Explorer, for example. If issues persist please call Extension Administration Human Resources at 607-255-2117 or contact via email at: cce.recruitment@cornell.edu.

▪ How can an accommodation be requested to assist with the application process? If you require an accommodation for a disability to participate in the selection process you are encouraged to contact Cornell Cooperative Extension Administrative Systems at (607) 255-2117 or via email at: cce.recruitment@cornell.edu.

▪ For internet access please visit your local library, Department of Labor or contact the Recruitment and Employment Office for assistance.
