I liked how you started your presentation with a question - it grabbed my attention.  
 You had a lot of equipment but you kept it well organized.

Don't forget a summary and to tell us where you got your information.  
 Repeat questions so the whole audience can hear them.  
 I like that you wore a 4-H shirt.

#### EVALUATOR'S OVERALL COMMENTS:

You knew your subject well and did a great job answering questions!
