Fill out all applicable categories	Comments
Topic was age appropriate	I could tell you are very interested in birds.
Correct use of materials	very nice poster
Work area organized	great job setting up
Looked at audience	You made great eye contact. Don't forget to turn to audience when showing materials + books.
Loud voice	Wonderful loud voice - great job answering questions.
Appearance	you looked very nice and your posture was super!

**Additional Comments:**

I enjoyed your presentation very much! you learned a lot about birds nest and created a super poster. Thank you, for sharing and I look forward to seeing you next year.

Topic was age appropriate	A very good topic for you to talk about. Everyone could be interested
Correct use of materials	Very good examples for showing while talking about birds
Work area organized	Poster was well done so audience could follow.
Looked at audience	You did a super job looking at the audience.
Loud voice	We could hear you very well
Appearance	A very excited 4-Her to talk about birds.

**Additional Comments:**

From your talk about birds, you are certainly ready to get everyone excited about learning more.

Your interest in public speaking will take you far in 4-H!

Looking forward to hearing you again do 4-H Presentations in the future!

Thank you!
