

# JANUARY 28<sup>TH</sup> PRESENTATIONS: “HOW TO” SESSIONS

## Build new public speaking skills

Join us for a morning of new skill building workshops. We will learn about how 4-H speeches are scored, how to do a simple demonstration, how to build an illustrated talk, how to move beyond traditional presentations, and how to set your presentation goal for 2017. Interview training will be at a later date, if needed.
