Food Safety Modernization Act & Good Agricultural Practices

Fruit and vegetable growers and other farmers to learn:

- FSMA Produce Safety Rule and GAPs
- Co-management of natural resources
- Food safety requirements and writing farm food safety plan

Course can satisfy requirements for FSMA Produce Safety Rule and to become compliant in food safety depending on gross annual farm income.

Training will benefit growers selling or would like to sell to food hubs or institutions and those in the NYS Grown and Certified Program.

Funding provided by a USDA Rural Business Enterprise Grant to the County of Sullivan Industrial Development Agency and the Local Economies Project.

SCHOLARSHIPS AVAILABLE

Payment is required in advance. Sorry, no refunds.
