

Secretary minutes for October 2016

Spirits of Tomorrow in the month of October the club made rustic swags or centerpieces, grapevine wreath snowman, tomato cage ghosts, the cloverbuds did a jigsaw puzzle fall tree.

Lake Breeze Bunch met on October 7th at Foreman Park in Williamson.

- Introductions were made
- The 4-H pledge was explained and practiced
- Membership cards were disturbed
- Expectations and Officer rules were briefly discussed.
- Erosion of rocks in Lake Ontario was explained. Analogy of lake action to washing machine used. Lake glass samples were passed around as were rock sample...both showing how erosion changes shape of glass/rock. Discussion point that rock erosion takes 1000s of years.
- Members then had the opportunity to explore lake shore rocks, select some for the project where they glued rocks to wood to make an image.

Horticulture Club met on October 10th at Alasa Farms in Sodus where they walked and hiked.

Barn Buddies met on October 16th

The club nominated and elected their club officers. Leader reminded everyone that membership renewals are due December 1st. Fall Fun Festival date was announced. Guns & Clovers club meeting dates were announced. New membership paperwork was handed out. They discussed craft ideas for their November meeting. The group decided to decorate picture frames. The club had a field trip to a beef cattle farm. The club got to see beef cattle, silage, shredded apples, shredded corn, a donkey named Sal, and cow fields. The owner showed the club how the cows are checked for pregnancy. After the tour they went back to the leaders house for snacks and drinks.

Country Kids on October 12th the club set up a table at the 4-H Open House. They made paper rockets with potential 4-H members.
