Adam Austin is modeling the hat and scarf he made for the outdoors. This is Adam's first year in sewing. This is also his first with the Cheerful Chums Club. Since he loves the outdoors and always watches hunting and fishing on TV he chose to use camouflage fleece. His favorite TV channel is OLN with all the outdoors you can handle. He brought along his outdoor duck fleece blanket he made with his club. He had a lot of fun doing the blanket and sewing with his 4-H leader.

Won't Adam look good going back to the future with all his camouflage and outdoor wear?

=====

This is Cheyenne Wagner of the County Cloverbuds. This is Cheyenne's second year in sewing. Cheyenne thought that it would be a good idea to make a pair of mittens, scarf, and hat to keep her warm this long winter season.

Cheyenne chose a color coordinating polar fleece print to accent her winter coat. Cheyenne found the polar fleece easy to work with. Cheyenne enjoyed this project so much she wanted to make her brother, Wyatt, a set.

Cheyenne and Wyatt are ready for the winter cold. Don't they look cozy?
