Our Mission

Cornell Cooperative Extension in Wyoming County is a non-profit organization that aims to educate and equip Wyoming County residents with the skills and resources necessary to succeed in Agriculture and its related industries. We are a group of passionate individuals who firmly believe in the quality of the programs that we offer and their importance to the vitality of the Wyoming County Community.

Agriculture Program
Cornell Cooperative Extension provides equal program and employment opportunities.

NWNY Team

Cornell Cooperative Extension of Wyoming County’s partnership in the CCE Northwest New York (NWNY) Dairy, Livestock and Field Crop Team, brings the service of professionals in:

- Agronomy
- Dairy Science
- Entomology
- Farm Business Management
- Hispanic Workforce Development
- Livestock Production
- Small Farms

Agriculture Program enrollees who choose the NWNY Team option receive “Ag Focus” each month and in-season electronic “Crop Alerts.”
