

Building a Teepee Trellis

Monday, April 23, 2018

10:00 AM – 12:00 PM

Cornell Cooperative Extension Orange County
18 Seward Ave., 3rd Floor, Middletown, NY 10940-1919

**You'll make both a 3 ft. and 5 ft.
Trellis to Take Home!**

Trellising has been a longstanding garden tradition for both function and beauty. From the living corn stalk trellises used in a Three Sisters Garden to the metal tomato cages used in many of today's gardens, the trellis is an essential garden structure for healthy plants that also brings aesthetic beauty to your landscape. Homemade garden trellises provide a perfect place to grow vining plants.

Let your creative side run wild with rustic charm when you design your own grapevine wrapped Teepee trellises to incorporate into your garden. Once home you could even add lights for an instant garden accent or plant with your favorite vine.

You will make both a 3 foot and 5 foot trellis to take home. Trellis making materials and tools are provided as part of the registration fee for each participant to design and build their own garden trellis.

Cost: \$30 per person. Gardening in Orange County subscribers, \$27 per person.

Space is limited, so please register early.

Deadline for registration: April 16, 2018.

Register online, or call 845-344-1234 for more information.

Sorry, no refunds, if you can't attend, please send someone in your place.
