## Start a Vegetable Garden

April 7th - 10:00 am - 12:30 pm

Come to our greenhouse facility and learn how to start your own vegetable garden! This includes mapping it out, understanding your soil, learning about fertilizer options, and choosing what to plant. Please bring measurements of your intended garden space and a soil sample (1 cup of dry soil). You will have the opportunity to work in the greenhouse starting your own tray of plants. Seeds, soil and trays are provided. Your seedlings will then be cared for by CCE staff and volunteers for seven weeks. They will be ready to transplant when you pick them up on May 19.

\$40 per person, with the option to add an extra tray of 50 plants for \$10. Please register with payment by April 2. Contact Hassleer Jacinto Whitcher for more information [hj28@cornell.edu](mailto:hj28@cornell.edu) 518-380-3838

## Vermicomposting for Beginners

April 14th -11:00 am -12:30 pm

Learn how to compost kitchen food scraps using Red Wiggler worms! Composting with worms is easy, requires less space and less labor than other methods of home composting. This 90 minute class includes lecture, assembly, and hands-on demonstration for how to start and maintain your new worm bin. Composting worms and all materials will be provided. \$35 per person. Please register with payment by April 1. Contact Angelina Peone for more information [ap2267@cornell.edu](mailto:ap2267@cornell.edu) 518-372-1622 ext. 264

## Green-Up Your Clean-Up

April 25th, 7:00-8:30 pm

Spring Cleaning is here! Learn about reducing your use of household chemicals that are harmful to the environment. Making your own cleaning products is easy and helps save money! In this workshop, you will make simple household cleaning products using all-natural alternatives. All materials will be provided. \$20 per person or \$15.00\* for those who re-use and bring their own spray-bottle containers. Please register

with payment by April 13. Contact Angelina Peone for more information [ap2267@cornell.edu](mailto:ap2267@cornell.edu) 518-372-1622 ext. 264

## Little Diggers

Wednesdays, May 16 -June 13

Morning Session 10:00 -11:15 am

Afternoon Session 12:30 -1:45 pm

Preschoolers (age 3-5) will discover the wonders of gardening and nature through a series of hands-on educational programs. Each themed class introduces children to gardening including planting and tending the garden; harvesting and tasting; discovering insects in the garden such as ladybugs and butterflies; and much more!

Cost is \$80.00 per child.

Please register with payment by May 7.

Limited need-based scholarships are available. If your child (or you) receives assistance or is eligible for special programs, he/she can be considered for a scholarship to the 2018 Little Diggers program.

## Raised Bed Gardening

April 21st, 10:00 am - 12:00 pm

Raised beds are perfect for new and seasoned gardeners interested in exploring innovative techniques for gardening and maximizing their yield. The course will begin with an overview of raised-bed gardening. Next, we will bring the class outside for a hands-on demonstration by Halfmoon Works, on how to assemble a raised bed kit. Master Gardeners will provide a tour of a new raised bed memorial garden and they will demonstrate how to make a straw bail garden. CCE has partnered with Halfmoon Works, a local organization that employs young adults with developmental differences to earn a living through

wood working. Each class participant will be given a \$20.00 voucher from Halfmoon Works that can be used toward the purchase of any size, raised bed garden kit. For more information on the kits, you can visit their website at [halfmoonworks.com](http://halfmoonworks.com)

\$20.00 per person Please register with payment by April 13 Contact Angie Tompkins for more information [amj22@cornell.edu](mailto:amj22@cornell.edu) 518-372-1622 ext. 259

## Harvest Share 2018

Roots & Wisdom offers a unique vegetable-buying opportunity to the local community. HARVEST SHARE is a weekly program starting in June and continuing through September. Harvest Share brings together local consumers and a youth agriculture initiative.

Enjoy the bounty of the garden, including eggplant, tomatoes, summer squash, cucumbers, peppers, bunching onions, garlic, salad mix, different herbs, flower bouquets and more. Grown and processed by our youth participants naturally without any chemical. All proceeds go back into our program.

Full share \$360 Half Share \$200
