- E. In Pony Classes, Junior and Senior riders will be judged together. For all divisions, ponies are 14.2 hands or less. There is no minimal size for equines entered as horses. Priority will be given to those that want to stall the entire week.** Second priority goes to those that want to stall for a rotation. If there are still stalls available, day stalls will be offered. Priority within the rotations and day stalls will be determined based on the HPDC point system. No hay, grain or tack may be stored in stalls or isles during fair week unless a specific stall has been pre-designated for such purpose. Exhibitors stabling horses must have them in the stables by 10:00pm. **All exhibitors using a stall must work a minimum of 4 hours barn duty; sign up with Horse Superintendent when horses are stabled.** Junior Barn Superintendents may enter in Department 22, Section B, Class 5 and be eligible for premium points.

- K. **Judges placing are final!** Protests are to be lodged *in writing* with the Technical Delegate or the chair of the division prior to the beginning of the next class. The Technical Delegate

and/or Division Chair will then determine the necessity of approaching the judge through the ring master and/or Division Chair. The name of the Delegate and the Chair will be posted and/or announced.

- L. Unless there is an official veterinarian available, the judge has the authority to dismiss from any class or the show any horse judged to be unsound, or is apparently carrying a disease or other condition, which would preclude appropriate or safe performance.

The judge, ring master, division chair or horse show superintendent may dismiss from any class, the show, or the grounds any exhibitor who is cruel, abusive on a horse, fails to follow or obey instructions, cannot maintain control of an unruly or inadequately trained equine, or fails to cooperate with show management or other exhibitors. A kicking horse shall be considered to be unmanageable.

In the event an animal health problem should arise at any time during the Fair, the superintendent, in consultation with Fair Officials, has the right to have the animal removed from the fairgrounds. It is the responsibility of the exhibitor to remove the animal promptly.

**NEW YORK STATE FAIR SELECTIONS**

(see Dressage section for State Fair selections applying to Dressage)

Selections for State Fair will be made according to points accumulated in eligible State Fair classes for each individual, including the required premiums- see the NYS 4-H Horse Show Rule Book. Final selections will be determined at clean-up workbee; **exhibitors interested in representing Orleans County at the New York State Fair must attend the clean-up workbee.**

Exhibitors may enter only those classes in the state show in which they received a “blue-excellent” award or its equivalent in the same or similar classes at the county and/or regional selection show(s). One class may be entered in which a “red-good” rating was awarded in the same or similar classes at the regional/county selection show(s) in order to assist meeting the suggested minimum of three classes per exhibitor except for over fences classes in the Hunt Seat Division, or reining and Western riding in the Western Division.

Points from each competitor’s highest top 5 placements, in eligible State Fair classes, will be counted. The overall score of eligible State Fair classes will be used as a tiebreaker. Top five classes will be established on the day of competition. All county fair champions will be given first consideration for State Fair eligibility with above requirements met. Showmanship at Halter points can be used for State Fair eligibility, and will be counted toward County Fair champions.

Ribbon placements and point credits will follow outline for county fair. HOWEVER, for those classes that have less than 6 entries, points will be based on the number of entries in the class (with the exception of Dressage; see Section C for points for Dressage).

Examples are as follows:

|                       |                       |          |
|-----------------------|-----------------------|----------|
| 5 equines in a class: | 1 <sup>st</sup> place | 5 points |
|                       | 2 <sup>nd</sup>       | 4        |
|                       | 3 <sup>rd</sup>       | 3        |
|                       | 4 <sup>th</sup>       | 2        |
|                       | 5 <sup>th</sup>       | 1        |
| 3 equines in a class: | 1 <sup>st</sup> place | 3 points |
|                       | 2 <sup>nd</sup>       | 2        |
|                       | 3 <sup>rd</sup>       | 1        |

There are no minimal sizes for equines entered as horses. Therefore a pony may be entered in Junior Division, Senior Division, or Pony Division. However, an equine may be shown in one division only.

Points will be recorded for individual placements in eligible State Fair classes. The highest top 5 placing, for eligible State Fair classes, for each individual, will be credited for accumulation on the day of competition. Overall score of eligible State Fair classes will be used as a tiebreaker.
