

# Community Ash Tree Survey Project Workshop

**The Saint Regis Mohawk Tribe, Forestry Resources Program in collaboration with the US Forest Service and USDA-Animal Plant and Health Inspection Service (USDA-APHIS) is providing a community work shop to explain the Emerald Ash Borer (EAB) community volunteer program.**

## **Community Members will learn:**

- ◆ **The background and life cycle of EAB**
- ◆ **EAB impacts to tribal community forests**
- ◆ **How many trees are needed and why community members are being asked to help**
- ◆ **View the sampling map**
- ◆ **How community members can participate**
- ◆ **How an ash tree is girdled**
- ◆ **Ash tree peeling in the fall and information about a fall workshop**

**The Date: May 3, 2018**

**The Time: 5:00 pm to 7:00 pm**

**Location: Akwesasne Housing Authority, Training Room, 378 State Route 37, Akwesasne, NY 13655. For more information contact the Environment Division at (518) 358-5937.**
