*Indigenous Wisdom, Scientific Knowledge and the Teachings of Plants*

**Dr. Kimmerer will be offering a book signing at the event!**

Dr. Robin Wall Kimmerer is a mother, scientist, writer, and Distinguished Teaching Professor of Environmental Biology at the SUNY College of Environmental Science and Forestry in Syracuse, New York. She is the founding Director of the Center for Native Peoples and the Environment, whose mission is to create programs that draw on the wisdom of both indigenous and scientific knowledge for our shared concerns for Mother Earth.

Kimmerer is an enrolled member of the Citizen Band Potawatomi. As a writer and a scientist, her interests in restoration include not only restoration of ecological communities, but restoration of our relationships to land. She lives on an old farm in upstate New York, tending gardens both cultivated and wild.
