

Celebrity Tip Night

FTC 8397-Team Beta

Join the **Adirondack Engineers**, a local 4-H club of 7-12 graders dedicated to robotics, as we celebrate and raise money to attend the FIRST FTC World Championship!

We have worked hard this year, earning a coveted invitation to the FIRST Tech Challenge **World Championship!** Only 124 teams, out of 6,000 worldwide, earn this invitation. Help us offset the costs of attending this global superbowl of robotics.
