

# Catskill Veterinary Services, PLLC

Job Title: Licensed Veterinary Technician– Full Time

Job Description:

We are looking for a LICENSED veterinary technician to work full time with our doctors. You will be assisting our doctors in procedures and consultations. Working closely with companion animals, farm animals, and exotics as well.

Additional Responsibilities:

- Lifting up to 40 pounds.
- Stock and maintain the vehicles and other equipment daily.
- Answering the phone and helping schedule consultations.
- Entering patient information in our database.
- Being comfortable with euthanasia, respect the process, and care of remains during transport.
