

# The Center For Discovery

## Job Title: **Herds Person**

## Job Description:

The Thanksgiving Farm is seeking an experienced herds person for their livestock team. The Thanksgiving Farm is part of the Center for Discovery's Department of Nourishment Arts where farmers work alongside our culinary staff and nutritionists to provide optimal food and nutrition for our residents and students who have developmental disabilities. We are a living model of Food is Medicine. This position includes on-site housing.

## Additional Responsibilities:

- Care for animals.
- Hay work.
- Create farm based educational and vocational activities.
- Operation of farm equipment and machinery.
- Other duties as assigned.
