## **SMALL ENGINE REPAIR - POWER EQUIPMENT MECHANIC**

### **JOB DUTIES AND RESPONSIBILITIES**

We are looking for qualified candidates who are mechanically minded and have experience working with and repairing two- and four-stroke power equipment, both gas-powered and electric, such as chainsaws, string trimmers, snow blowers, and lawnmowers. Candidates will be working in a workshop environment with other mechanics and on their feet most of the day and must be able to lift at least 50 lbs. Working hours are Monday, Tuesday, Thursday Friday 8:00am-6:00pm, Saturday 8:00am-4:00pm. Overtime is occasionally given.

### **JOB SPECIFICATIONS/REQUIREMENTS**

- High School Diploma or GED required.
- Applicant preferred to have one or more years of experience as a mechanic.
- Safety shoes and safety glasses required to be worn.
- Applicants can have no felonies within the last seven years.
- Applicants must pass a background check

### **SALARY/BENEFITS**

Salary will be based on previous experience and potential. Salary ranges from minimum wage to \$20 per hour. Benefits are offered after one year of employment or earlier based on experience and performance. Benefits include health insurance and paid vacation, sick leave and some holidays.

### **CONTACT**

Applicants must apply in person at 4 Railroad Avenue, Pine Bush, New York 12566 during business hours. Business hours are Monday, Tuesday, Thursday Friday 8:00am-6:00pm, Saturday 8:00am-4:00pm.
