Trophy Sponsorship Request

4-H Animal Shows at the Clinton County Fair

4-H animal projects help youth learn animal science and management. In addition, young people gain life skills such as leadership, responsibility, goal setting, record keeping, and more! 4-H Animal Shows at the Clinton County Fair are one way 4-Hers exhibit what they've learned in the animal project. Your generous support helps us recognize their achievements.

Trophy sponsorships are \$10 per class. If you would like to sponsor a particular class, please indicate which one(s). Thank you for your tax-deductible donation!

We need your support!
