

Back by Popular Demand!

The Ontario County Master Gardeners will be sponsoring a Container Garden Class on Wednesday, May 16 beginning at 6:30pm at the 4-H office. Cost for this popular, fun class is \$5 and can be paid the night of the class. You need to bring a container to plant something in to brighten your home for the summer. Unusual containers always bring lots of conversations as you fill your planter that night. Containers we have had in the past have been old work shoes, boots, mailboxes and planters designed for porches. Do not bring something really large to fill. We will be learning about planning and then planting our containers. This makes a great exhibit in horticulture at the county fair in July. Register by Friday, May 11 if you plan to attend by calling the 4-H office at 585-394-3977 x 401. This workshop is for 4-H members of all ages!
