

Healthy Neighborhoods Program

Working with the Albany County Department of Health and the Rensselaer County Department of Health, Cornell Cooperative Extension Albany County has launched the Healthy Neighborhoods Program. This free health and safety program is available to residents in targeted zip codes in Albany (12202, 12206, 12208, 12209, 12210) and Rensselaer (12180, 12182, 12144) counties. Trained Healthy Neighborhoods Program educators schedule a home visit and identify environmental hazards by asking residents questions from a standardized assessment form. Residents are educated about these concerns and provided referrals and follow up resources. Free cleaning, safety, and health products are also distributed to improve the home living environment. For more information and to schedule a home visit call 518-765-3521 or register online at https://pub.cce.cornell.edu/event_registration/main/events.cfm?dept=201.

Childhood Lead Poisoning Prevention Program - Free Lead Inspections

Is Your Home Safe? Did you know that lead — a silent threat in older homes — can effect child development? Lead can poison you and your children. Children under six years of age are at the greatest risk for lead poisoning which complicates a child's growth, behavior, and ability to learn. 90% of the housing stock in 12180, 12182 & 12144 zip codes were built prior to 1970, putting these homes at a higher risk for containing lead. Do you reside in the 12180, 12182 or 12144 zip codes? Do you reside in a home built prior to 1978? Are you concerned about your child being exposed to lead? CCE offers FREE In Home Lead Inspections. If you answered yes to any of the above questions than you should call our partner, the Rensselaer County Health Department at 518-270-2640 to see if your home qualifies for a lead inspection. All qualified inspections receive free cleaning supplies.

The Asthma Project

Do you or anyone in your home have asthma? Is that person on Medicaid? If you answered yes to both questions, Cornell Cooperative Extension Albany County may have a program to help you...**The Asthma Project** has trained educators available to identify asthma triggers in your home AND will help to facilitate simple repairs to eliminate these triggers. This is a FREE program if you qualify. If interested or if you have questions, please contact Diane at 765-3521 or by email at dfp46@cornell.edu

| 6/5/2018 | 5:30 PM - 6:30 PM | The Magic Years: A Three-Part Parent Education Program - Handling Stress & Understanding Child Development Program - For parents/caregivers of children ages 0-4. Being a parent is stressful! Join with other parents/caregivers in a supportive environment to discuss stress management strategies. Learn how stress impacts your children and how we can help them manage stressors. Advance registration is required by contacting Maria DeLucia-Evans at mkd59@cornell.edu or call/text 518-598-9937. | The Pine Hills Branch of the Albany Public Library 571 Western Ave. Albany, NY 12210 |
| 6/5 & 6/6 2018 | 8:30 AM - 4:00 PM | Agricultural Issues Facing Assessors - Providing 12 continuing education credits, this training will feature speakers with years of hands-on experience, who are prepared to discuss a wide range of issues and answer specific questions. This is a great opportunity to receive industry specific training which will help you handle the many questions facing assessors each year. Ag Valuation, Lost Capital, Ag Value Assessment and a look at the New York State Ag industry are all part of the agenda. A total of 12 continuing education credits have been awarded. Cost: \$240.00/person, includes handouts, lunches and breaks. Register online at https://reg.cce.cornell.edu/CCE_Assessors_School2018_201 , call 518-765-3518 or email cce-caahp@cornell.edu for information or assistance in registering. | Cornell Cooperative Extension Albany County 24 Martin Road Voorheesville, NY 12186 |
| 6/5, 6/6, 6/7 2018 | 8:30 AM - 4:30 PM | Preserving A Tradition! Master Food Preservation Class - Class to be held at the new teaching kitchen at Hudson Valley Community College, Troy, NY. Taught by Cornell Cooperative Extension instructors Diane Whitten and Judy Price. Register through the college at hvcc.edu . Lunch included all 3 days. You will receive a nearly 300 page binder and learn the safe way to do boiling water canning, pressure canning, the art of jam and jelly making, dehydration, freezing and fermenting foods. This is the first step in becoming certified as a Master Food Preserver. Cost: \$375.00 Space is limited. Call Karen Roberts Mort at 518-765-3552. | Hudson Valley Community College 80 Vandenburg Ave. Troy, NY 12180 |
| 6/7/2018 | 6:00 PM - 7:30 PM | Sensational Songbirds - Wildlife Habitat Education Program (WHEP) is hosting a sensational songbird program. This program for beginners will either walk the CCE Education Center property or take a short drive to the Hackensack Mountain trailhead and look for songbirds from the area. The program is free, but please call and register how many people are attending. Bring binoculars, bug spray, a water bottle, and hiking shoes/boots. Please contact John Bowe at 518-668-4881 or email jfb32@cornell.edu . | Cornell Cooperative Extension Warren County 377 Schroon River Road Warrensburg, NY 12885 |

CAPITAL REGION CORNELL COOPERATIVE EXTENSION • CALENDAR OF EVENTS continued...

| | | | |
|---------------------|---------------------|---|---|
| 6/7/2018 | 6:00 PM - 7:00 PM | Re-Thinking Our Waste Class - This free, public presentation will give an overview of what can be recycled, curbside and beyond! Learn about how waste impacts our environment, our economy, and our society. Learn about zero waste living; how to make as little trash as possible by preventing waste before it ever enters your life. Please register for this free class by sending an email to ap2267@cornell.edu with the title of the email "Rethinking Our Waste Class". | Central Library 99 Clinton Street Schenectady, NY 12305 |
| 6/7/2018 | 6:30 PM - 8:00 PM | Container Gardening - Presenter Carole Henry, MG Coordinator. Learn the tricks of the trade on how to make and grow beautiful container gardens. Cost: \$5.00.
