Cook-Up Success: Catskills Kitchen Free Open House

LIBERTY, NY— A shared-use kitchen is a legally licensed commercial kitchen space that is certified for the production of value-added food products and catering. Shared-use kitchens can create positive economic, environmental, social, and health effects for communities.

Food entrepreneurs and community members are invited to a Catskills Kitchen Open House on Wednesday, June 27 and September 12, 2018 from 5:30 to 7:00 pm. The Catskills Kitchen Food Business Incubator, Sullivan County (CCESC)'s first commercial kitchen and interactive classroom, is located at Cornell Cooperative Extension Sullivan County's Education Center on 64 Ferndale-Loomis Road in Liberty.

Guests can tour the state-of-the-art facility, meet the staff, and ask questions about equipment, licensing, product testing, technical assistance, and more.

This event is FREE. Registration can be completed online at www.sullivancee.org, by emailing sullivan@cornell.edu, or calling 845-292-6180. In the event of special needs, please contact the CCESC office.
